

The Vanishing Rainforest

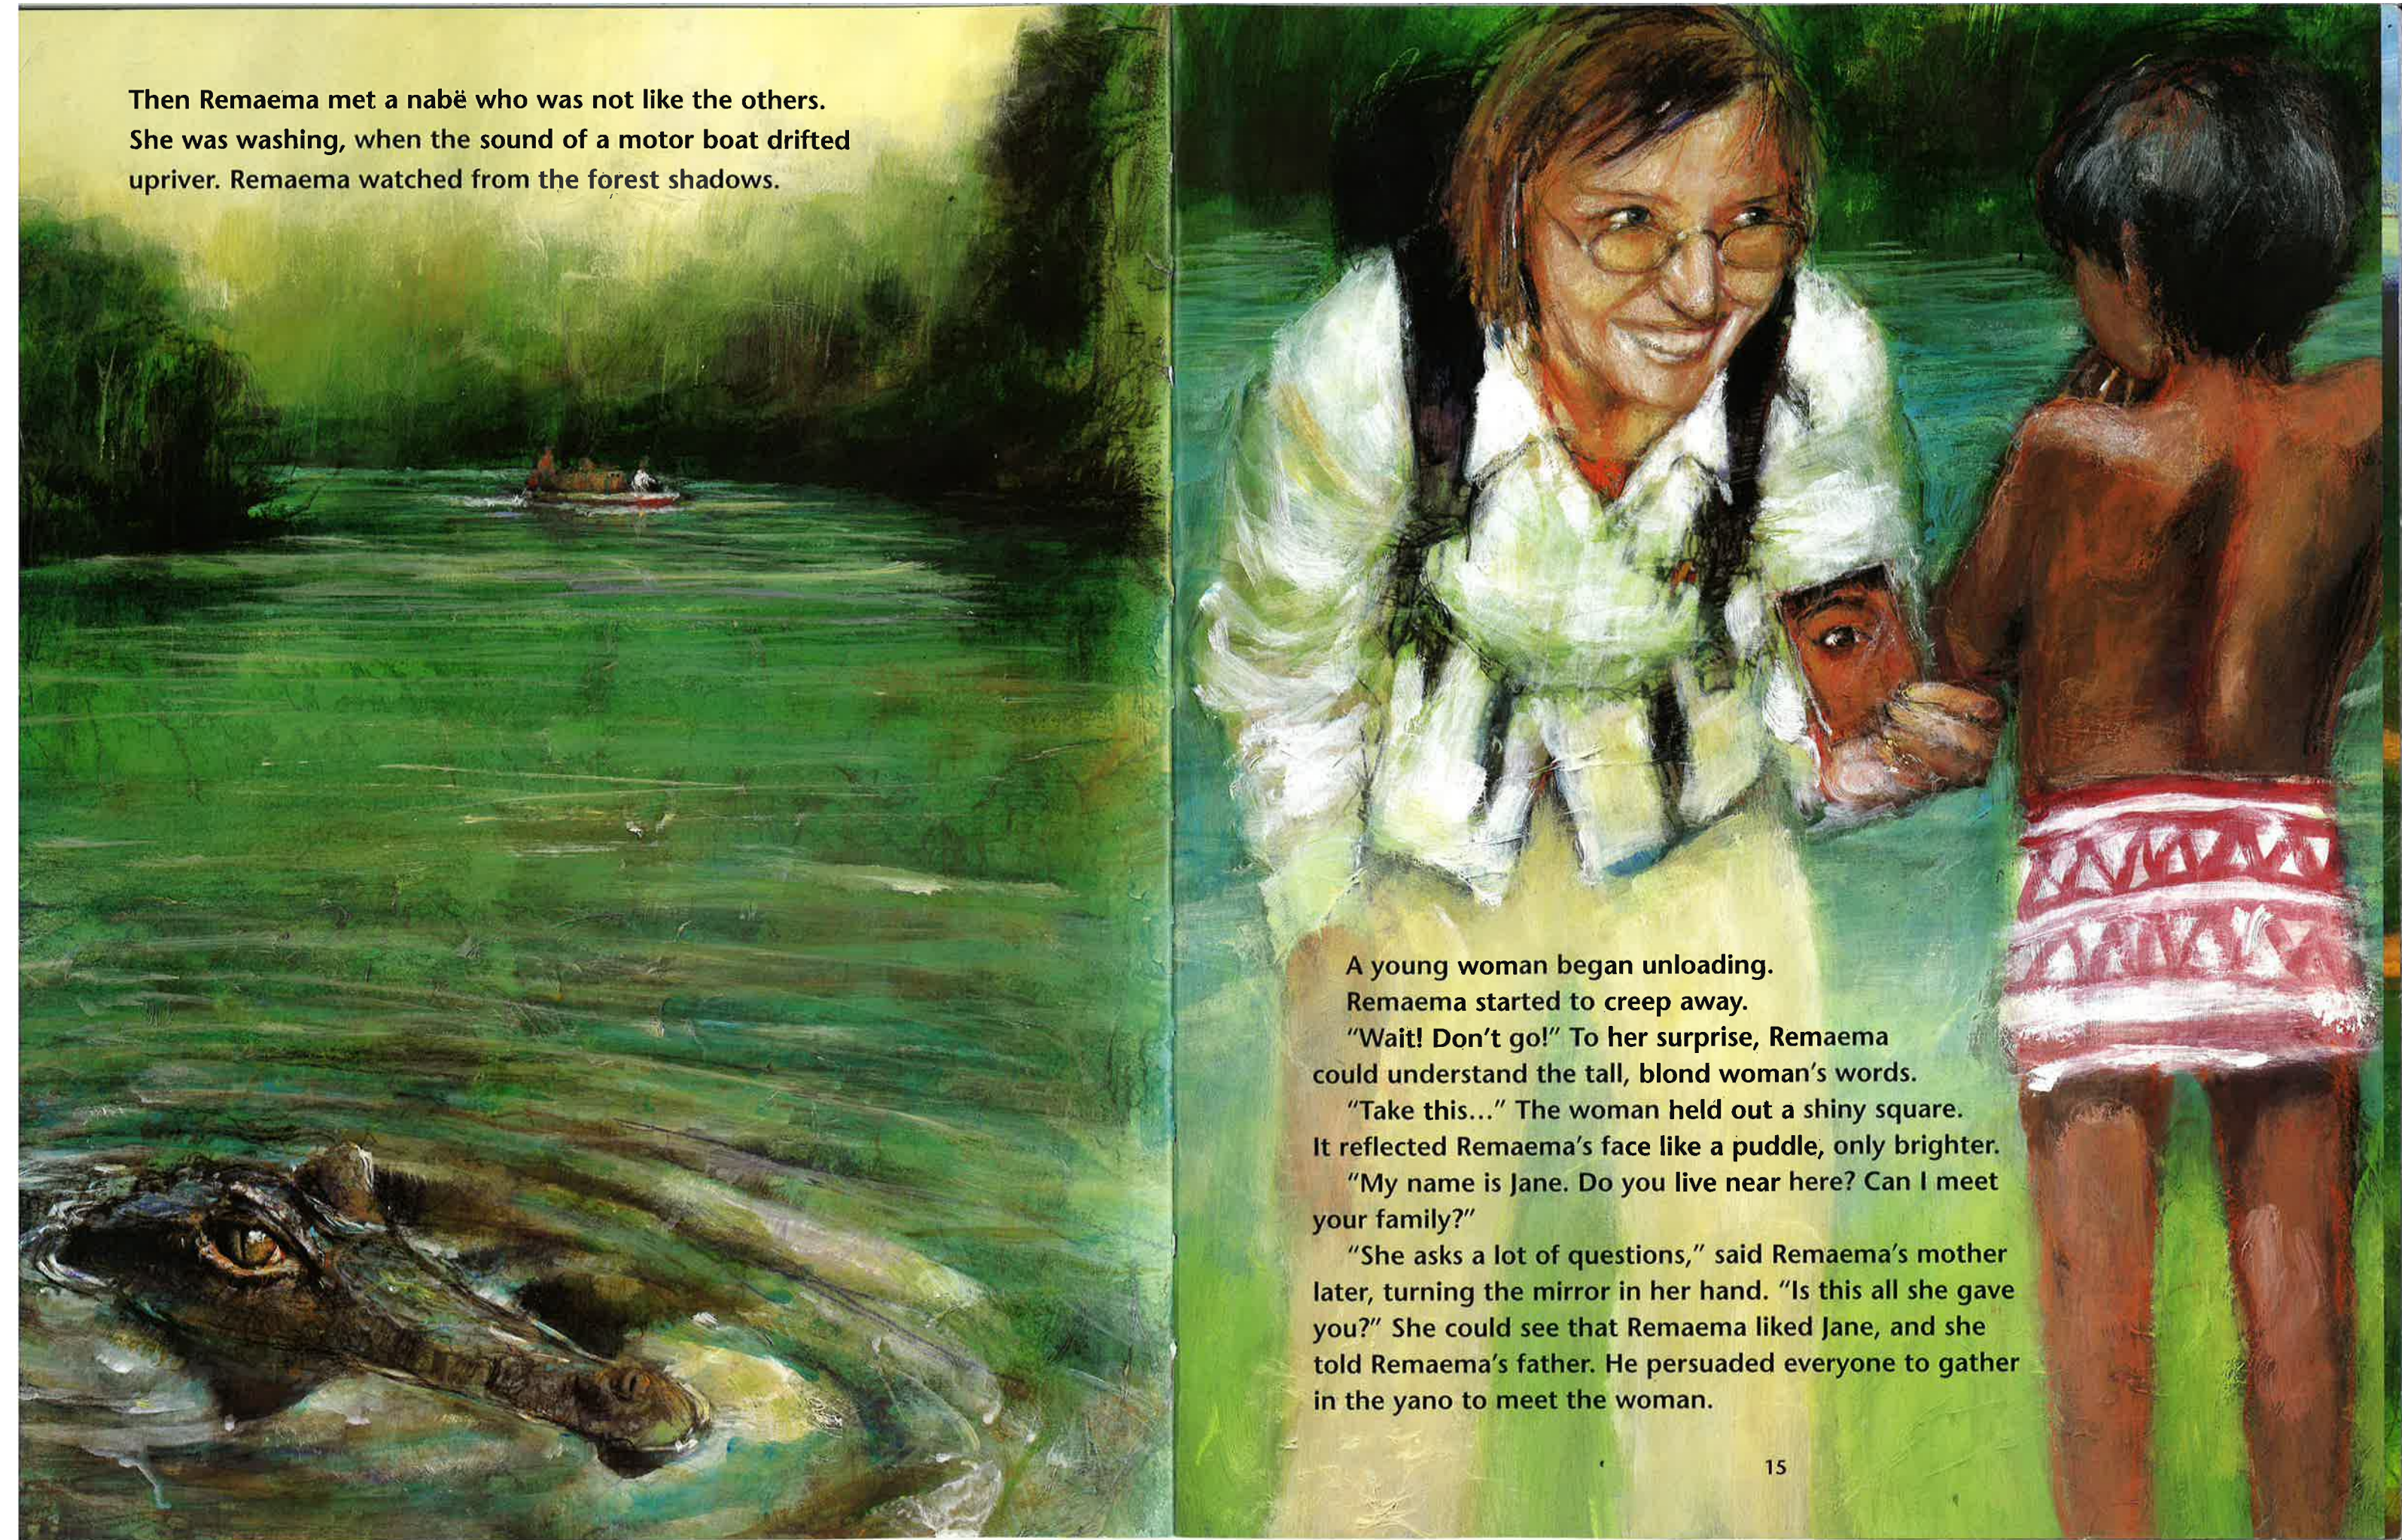

I can answer inference style questions about a text.

Thursday 4th June 2020

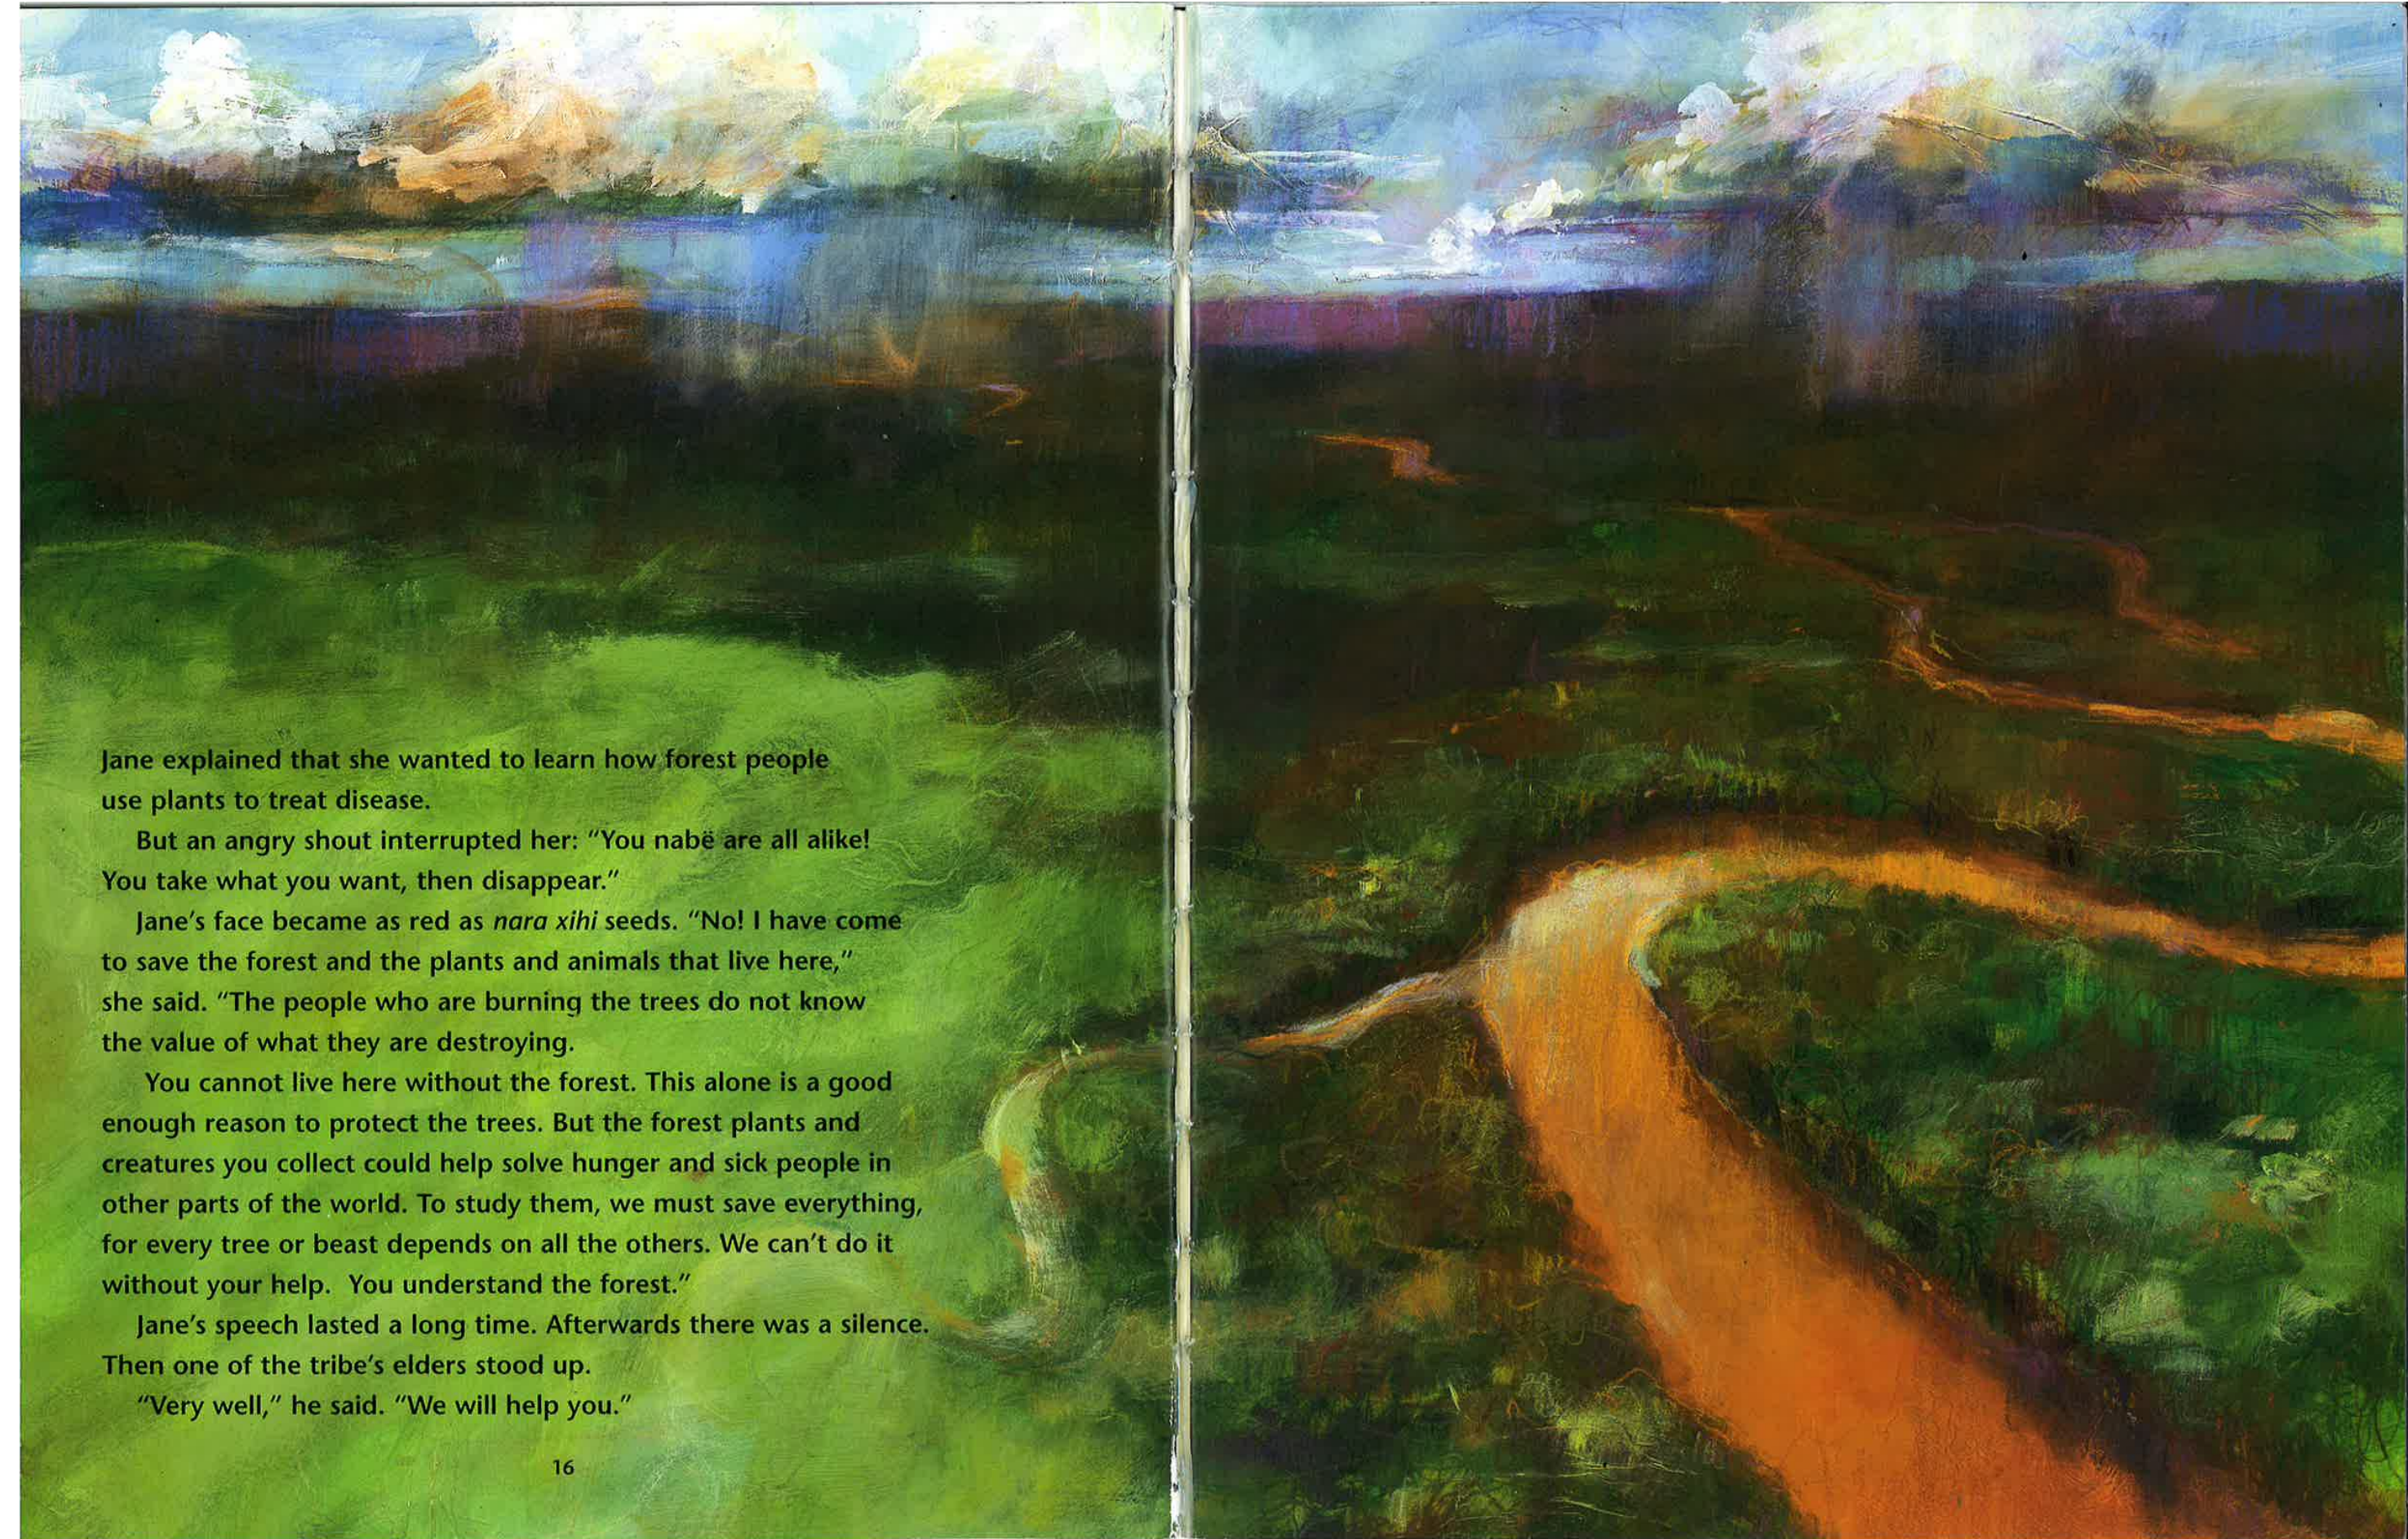

Read through page 14 and 15 and answer the following questions in your book.

1. Who might the tall, blond woman be?
2. Why do you think so?
3. How did Ramaema move when she heard the motor boat? Why?
4. Why was Ramaema 'surprised' to be able to understand the words the woman spoke?
5. Why might the woman be interested in meeting more people from the village?

Possible answers...

1. Who might the tall, blond woman be? **She could be an explorer who travelled from far away.**
2. Why do you think so? **Because she travelled on a motor boat and she carries backpack with her.**
3. How did Ramaema move when she heard the motor boat? Why? **She crept around carefully so the woman would not spot her. She was probably scared because other nabe have proven to be violent.**
4. Why was Ramaema 'surprised' to be able to understand the words the woman spoke? **Probably because the woman spoke Ramaena's language which was unusual.**
5. Why might the woman be interested in meeting more people from the village? **To get to know more about their culture.**

What new did you learn from reading this page?

Why is the woman actually there?

Do you think she will earn the tribe's trust and work well together?

We will find out more tomorrow... 😊

Here is a list of organisations that support the Amazon Rainforests.
