

Wednesday 17th June

I can mentally subtract 2 2 digit numbers.

How many cookies are left?
Discuss with your adult.

Count back in tens from 36.

$$36 - 20 = 16$$

Joan started from 36, then counted back 2 tens or 20.

Now try 37-30 and discuss with an adult.

Now try the worksheet –counting back to take away.

Then try the challenge activity.
