

Monday 6th June 2020
I can recognise different tools.

Why do we need tools?

Here are some tools that Mr Halley has used during lockdown and why he has used them.

For hanging a picture.

For changing a plug.

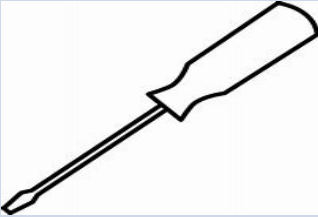

For removing a bike wheel to repair the flat tyre.

For cutting tree branches.

Task. Choose 5 tools. Either at home or in school and complete the table.

Tool name	Draw it	What is it used for
Screwdriver		A typical simple screwdriver has a handle and a shaft, ending in a tip the user puts into the screw head before turning the handle.
