

# PRINCE OF WALES PRIMARY SCHOOL

Newsletter  
16<sup>th</sup> July 2020

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

**Dear Children, Parents/Carers, Governors and Friends,**

The summer term has come to an end and I am sure that everyone in our school community is looking forward to a well-earned rest. It is stating the obvious that the last four months have been unprecedented and challenging, but the entire Prince of Wales community should be proud of the way we have stuck together through the pandemic and supported one another. PoW staff have worked tirelessly to provide an excellent online provision for our students as well as provide a community service. We have been grateful for all the kind messages from parents about these provisions. I would also like to thank all of you for supporting us and, more importantly, your children with home learning.

I know this has not been an easy time for our pupils. They have missed out on aspects of school life and have missed their friends. I hope that through the weekly newsletter and some of our online events have helped in this regard but know that it's not the same as the real thing! Well done to our students for your excellent approach and resilience during the pandemic; you are all amazing!

On Tuesday afternoon our Year 6 pupils were able to celebrate their completion of primary education through a picnic and prize giving ceremony. It was lovely to see additional pupils able to join on this occasion (*see page 4 in the newsletter*).

For our pupils that will be returning in September, I would like to remind you that reading should be first and foremost on your daily schedules. Two years ago we had the highest number of participants in the Summer Reading Challenge. Can we do this again this summer? Talking of competitions, please check the results of the virtual Olympics on page 3.

Due to the sudden lock down and pupils unable to return in the past weeks, a number of personal belongings were left at school. These have been passed on to next year group. As always, I remind parents that the school cannot take responsibility for lost or missing items.

We are very much looking forward to welcoming everyone back to school on Monday 7<sup>th</sup> September. We are planning to open to all year groups as near to normal as we are able. We have been planning for this over the last few weeks in terms of logistics and the structure of the school day. Check this newsletter for some of these arrangements and we will communicate any further changes and specific arrangements with you as soon as we are able to do so through emails and also our Covid-19 page on our website. The health and safety of our entire school community will continue to be a priority and we will send an updated Home - School Agreement with expectations for pupils, school and parents (*page 2*).

With regards to our previous wrap-around provision, I am pleased to confirm that we can manage Breakfast Club from September – albeit for working parents to start with. I wish to reassure parents that I am in discussion with regards to an after school club and I look forward to sharing details at the start of the term.

Having said goodbye to a few colleagues in the last newsletter, I can also confirm the departure of Mr Shah who will be undertaking teacher training in a secondary school. We wish you the very best with your career.

Before closing, I would like to publicly thank all staff who have been absolutely brilliant during the pandemic. Teachers adapted to online learning and have spent hours in front of their computers each day. Behind the scenes, support staff have continued to work throughout and have all contributed to keeping the school afloat. It has been hard and tiring but I am sure that we will all look back on this with a sense of collective pride and satisfaction. I would also like to thank the Governing Body who work on a voluntary basis as well as schools across the LA and Enfield SEYIS for their collegiality, support and advice.

My sincerest thanks to all; enjoy a great summer!

I wish you all a restful, peaceful and safe summer and look forward to seeing you all in September.

**Mr Bless - Headteacher**

## Staggered start and finishing times from September

Bubble	Start	Finish	Drop off/collection point:
EYFS	8:50am	3:15pm	Woodlands carpark area (sectioned off)
Year 1	8:40am	3:20pm	Y1 outdoor area
Year 2	8:40am	3:20pm	Playground (usual spot)

To reduce the number of people on school premises, Year 4, 5 and 6 pupils should enter and exit school premises on their own (*unless agreed individual arrangements are required*).

EYFS, Year 1, 2 and 3 pupils should be accompanied by 1 adult.

Please avoid driving and causing congestion in Salisbury Road.

### Agreement for School

#### The school will:

Provide an environment which has been risk assessed in response to COVID-19;

Reduce contact by grouping pupils and avoiding contact between groups;

Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs;

Prioritise identifying gaps and re-establish good progress in phonics and reading, vocabulary, writing and mathematics;

Contact parents/carers if your child displays symptoms of COVID-19, isolate them from other children and supervise them until a parent/carer can collect;

Continue our clear and consistent approach to rewards and consequences for children as set out in our Behaviour Policy as well the expectations outlined in this agreement;

Communicate between home and school through phone calls, text, email, and the school website;

Ensure that pupils clean their hands regularly;

Engage with the NHS Test and Trace process;

Offer immediate remote education where a group of pupils need to self-isolate or in the event of lockdown.

(Headteacher)

### Agreement for parents

#### To help my child at school I will:

If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, I will get them tested and I will inform the school immediately of the results of a test. We will self-isolate according to Government guidance whilst waiting for results;

I will ensure I self-quarantine my child for 14 days if anyone in my household has returned from another country

If my child, shows symptoms of COVID-19 at school, I will collect my child from school immediately;

When dropping off and picking up, I will keep to the strict school timings for my child;

Remind my child to use good respiratory and hand hygiene;

I will only come inside the school for a pre-arranged appointment;

Read all letters/messages/emails that are sent home and respond quickly if appropriate;

I will inform the school immediately of any changes to parents/carers and emergency contacts details.

(Parent)

### Agreement for pupils

#### I will do my best to:

Tell an adult if I have any worries or need help;

Continue to demonstrate the school values with my peers, adults and the wider school community;

Continue to carry out my learning activities to the best of my ability;

Regularly wash my hands as requested and try hard not to touch my mouth, eyes and nose with my hands or fingers;

Use a tissue when I sneeze and 'catch it, bin it, kill it.'

If I don't have a tissue I will sneeze into my elbow;

Keep all my belongings in my learning space/safety bubble;

Stay in the my bubble throughout the day.

Dear ETSP Community

Congratulations to all the children & young people who took part in our Summer Olympics. Over 1,000 pupils took part. Our winners are revealed in the video: <https://we.tl/t-JwU1AB3VNR> . The link will expire on 20<sup>th</sup> July.

The winners were calculated using a pre-agreed points system (not by medals). Schools were awarded medals for finishing in the top three for each of the events. See attached pdf for details.

Many thanks to all of you for your support with this.

Best wishes

Emma

## Goodbye Year 6

If this year has taught you anything, it is to expect the unexpected. You began Year 6 with a mixed bag of feelings and anticipation but you smoothly transitioned into owning this status and being keen to make a contribution to the wider school. As we approached the half way mark of school year 2019-2020 it became clear that you were part of history in the making, being swept up in an unprecedented worldwide event. As a result, you are the first Year 6 cohort that didn't complete KS2 SATs since this was introduced. When you look back at this peculiar year, that will feature in the history books, I hope that missing some tests is not going to dominate your recollection of it. Your generation has been uniquely challenged in your engagement with learning when not under the direct tutelage of your teacher. Although your participation will have included negotiation at home about time and taking turns on an electronic device, it much depended on your willingness, discipline and your recognition that here was an opportunity for self-determination. Although the weekly attendance figures speak for themselves, I kept a close eye on your communications and achievements at home. They tell me that PoW has done its job with you and is confidently letting you go into the great unknown.

In the words of a respected, fictional Headteacher: 'It is our choices that show who we truly are, far more than our abilities.'

*Mr Bless - Headteacher*

## Year 6 Leavers' Picnic

We missed the weekly 'post SATs ice cream van Friday ringtone' but were glad to hear it on our final day of the school year!
