

Thursday and Friday

I can make a prosthetic hand.

Or

I can make and power a car.

Read the instructions. What would you like to make?

The Smallpeice Trust ENGINEERING @HOME		The Prosthetic Hand Challenge	
05			
#EngineeringAtHome			
Suitable for ages: 5+	Time needed: 1hr+	 smallpeice Dare to imagine	
  			

The Smallpeice Trust ENGINEERING @HOME		The Rubber Band Car Challenge	
01			
#SmallpeiceRBCC			
Suitable for ages: 8-16	Time needed: 1hr+	 smallpeice Dare to imagine	
  			

Check you have the right materials

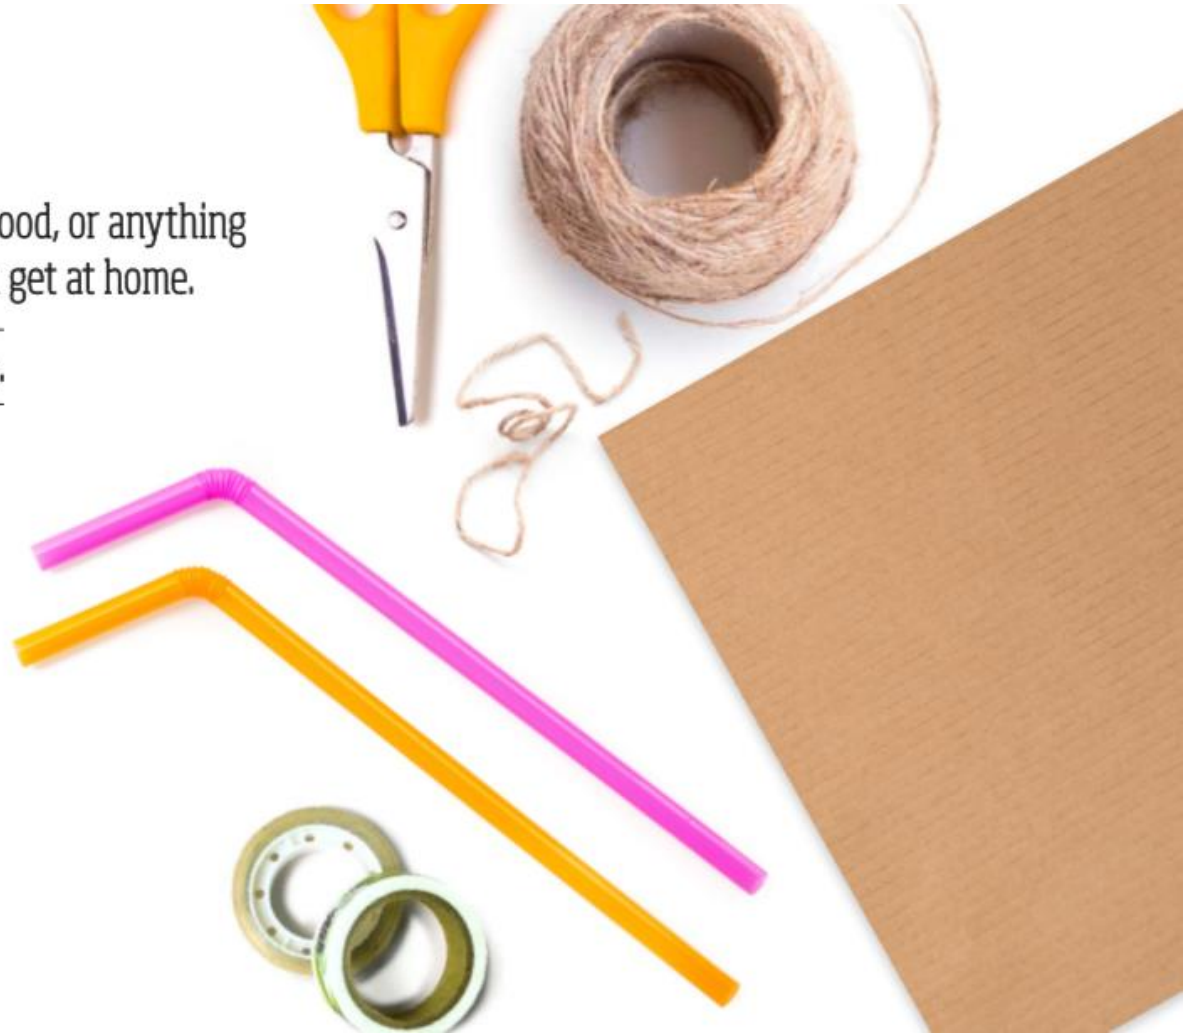

WHAT MATERIALS TO USE

You can use cardboard, plastic, wood, or anything else that works well and you can get at home.

Try looking in your recycling box.

HERE'S WHAT WE USED:

1. **CARDBOARD**
2. **SELLOTAPE**
3. **SCISSORS**
4. **STRAWS**
5. **STRING**

Make your model
