Watch how Bonnie from Toy Story 4 creates her own Forky.

You can make your own.

All you need is

- 1 plastic fork or spork
 - 1 lollipop stick
 - 1 Pipe cleaner
 - 2 googly eyes
 - Playdoh
- A blue and red pen

If you don't have everything don't worry you can use other objects you may have such as a cardboard kitchen roll or draw around your hand and use a stick.

Don't forget to add your name at the bottom of it just like Bonnie did!
