

<b>From Mrs Gilfillian, Mrs Kancheva, &amp; Mr Halley</b>	Good morning Year 5. We are already into week 6 of this term. Believe it or not this academic year is coming to an end but we are not quite there yet. This week's topic lessons are based around D&T and we hope that you will enjoy to put your hands on a new project. Let's make a start by learning a bit more about the tools we use daily around the house. Have a good day and keep learning! Best wishes, from the year 5 teachers.
---	---

### Early morning message Year Group: 5

**Date: Monday 07.07.2020**

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
DGR	I can read a text on tools.	- Read the text and write down any words that you are unsure of.
Mathematics (including times tables)	I can multiply 4 digit numbers by a 1 digit number.	- Starter - complete the multiplication grid. - Watch the video. - Work out the multiplication equations in your books.
English	I can use past progressive tense.	- Look at the formula for past continuous tense. - Note down what each character is doing on the picture and write a sentence about it using past continuous tense.
D&T	I can recognise different tools.	- Read through the slides and get familiar with a number of basic tools. - Complete the grid in your books.
Value of the week		

#### Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/> **Let your teacher know your score on Accelerated Reading each week.**

You may find that some of your books at home are also on Accelerated Reader, so re-read them and give the quiz a go.
