

Monday 13th July

I know what hope means and can identify symbols of hope.

Listen to the story A Child's Garden-

Where have you seen hope recently?

HOPE

HOPE

One can live
without *food* for
1,209,600 seconds –
[about 14 days]

One can live
without water for
259,200 seconds –
[about 3 days]

A photograph of a tall waterfall cascading down a dark, rocky cliff. The surrounding area is lush with green ferns and moss. In the foreground, a person is standing on a small, moss-covered rock, looking towards the waterfall. The scene is dramatic and inspiring.

But no one can live
without **HOPE** for
even 1 second –
So, never lose
HOPE.
Also, please give
Hope, whenever
possible.
