

Year Group: 3

Date: Thursday 9th July

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
Reading	I can answer questions about a text	<ol style="list-style-type: none">1. Re-read through the story extract from The Twits2. Then answer the questions - make sure you write in full sentences and use a capital letter at the start of your sentence and punctuation at the end.3. The answers will be uploaded tomorrow – don't forget to check your answers and tell your teachers how you did.
Mathematics (including times tables)	I can recall multiplication and division facts for tables of 3.	<ol style="list-style-type: none">1. Division is the inverse of multiplication. Look at the video to help you explain. https://www.bbc.co.uk/teach/class-clips-video/maths-ks1--ks2-the-relationship-between-multiplication-and-division/zdqb47h2. Explain the questions on the next page and derive another division statement from $8 \div 2 = 4$3. Look at another example which shows division is the inverse of multiplication and explain to an adult.4. Solve the problems using the inverse.5. Try using the multiplication facts you know to solve the division on the worksheet and then have a go at the challenge.
English	I can write a persuasive letter.	<p>Yesterday you wrote a draft for your persuasive letter. Today you are going to improve sections of your letter and then you're going to write your final letter in your best handwriting. You are also going to focus on rhetoric questions and using conjunctions in your writing.</p> <ol style="list-style-type: none">1. Look at the examples on how you can use conjunctions in your letter.2. Then look at examples of how you can use rhetorical questions in your writing.3. Finally write your letter using the features that were highlighted.

Design and Technology	I can make and evaluate a product using recycled plastic.	<ol style="list-style-type: none"> 1. Check yesterday's answers for Which invention came first.... 2. Arrange these products into the order you think they were invented in... 3. Evaluate your design. Is there anything you'd like to add? 4. Make your recycled plastic product using your design. <p>Please send pictures of your new product to your teacher.</p>
Fun corner		Plant a seeds for fruits or vegetables. You could use an old plastic container!

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password: <https://ukhosted2.renlearn.co.uk/1894742/>

You may find that some of your books at home are also on Accelerated Reader, so re-read them and give the quiz a go.
