## TRANSITION

I can explore my personality.

So far this week, you have looked at the importance of transition as well as shared thoughts, opinions and feelings.

Today, you are going to explore your own personality as you prepare to move over to Year 6.

**Transitions** – Also means looking at the things that make you unique that you would like to share with your new class and teacher!

## Task 1

### Shoe-box portrait

Prepare shoe-box with **personal items** that tell your classmates something about yourself and say why they are important to you.

## Task 2

Draw/write everything that you would like to put in the shoebox that would demonstrate your personality – Explain.

If you do not a shoe-box, you can use large jar or any other container

# Reflection

**I've always loved  
the first day of  
school better than  
the last day of  
school. Firsts are best  
because they  
are beginnings.**
