Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents/Carers, Governors and Friends,

It was wonderful to have our school fully open again and to welcome back all our families. Thank you all for your support in adjusting to the new routines and changes. Key to managing these well is that you read our guidance ([here](#)) and discuss this with your child.

Considering the amount of time most children have been away from school, our pupils have made a very good start to the term with their good attitude, cooperation and enthusiasm for learning.

In order for our pupils to catch up on missed or forgotten learning, we have changed the time table with additional daily reading, writing and maths and we will continue with blocked subject weeks for the foundation subjects:

Week 2 History	Week 3 History	Week 4 Science	Week 5 RE	Week 6 Art	Week 7 Art

Virtual Parent Cafés: Meet the Teacher

I am sure that every parent/carer is keen to find out more about their child's learning this term. This will be explained at the virtual 'Meet the Teacher' Cafés in the next few weeks.

This year, the annual *Meet the Teacher* sessions will be taking place online via the TEAMS learning platform. You don't need the app as a link for the live meeting will be sent to you via email and text (please ensure that we have your up to date contact details). At the Café/meeting your child's new class teacher will provide you with essential information such as the planned curriculum, how you can help as a parent/carer, home learning, key dates and more.

Reception	Tuesday	29 th September at 4.15pm
Year 1	Wednesday	16 th September at 4.30pm
Year 2	Thursday	17 th September at 5:00pm
Year 3	Thursday	17 th September at 4.30pm

Harvest Festival 2020

Harvest Festival this year will be on September 21. Obviously, our children will not be able to celebrate this together but Year 2 will lead the assembly on Harvest and this will be filmed and relayed to all the children in the school.

Once again we will be collecting tins and dried goods for our School Food Bank. Our Food Bank was used regularly throughout Lockdown and was very much appreciated by all the families. Stocks have now run very low so this is an opportune time to share our own food and resources within our own community. I expect some cupboards at home are still very full and there may even be extra loo rolls in some homes!

There will be cardboard boxes placed at the entrance of each year group entrance starting on Monday 14 September so we have time to collect the maximum amount of food. There will still be a display of food in the school and a photograph of this will appear in the newsletter.

Miss Clarke – Deputy Headteacher

Weekly School Food Bank

Our food bank will be starting again this Friday, 11th September, from 9:15am – 10:00am.

This will then be a regular slot every week.

Mrs Dunlea

Place2Be

place2be.org.uk

Prince of Wales Primary School works with Place2Be, a children's mental health charity that helps pupils explore their emotions and feel better about themselves.

Why is Place2Be useful?

Sometimes children can feel particularly sad, confused, scared or angry.

Maybe something difficult happened at home, like losing a family member or parents separating. Or perhaps they're struggling with something at school, such as worries about exam results or making new friends.

This can make them behave differently, lose confidence in themselves or find it difficult to concentrate in class.

Place2Be is there to help children find ways to cope, so their worries don't get in the way of their friendships, their learning or how they feel about themselves.

What does Place2Be do?

Place2Be's professionals work with children one-to-one or in small groups, giving regular support for pupils.

(Any Place2Be work done in groups is within the same year group bubbles)

Children can also book a short appointment to talk about any problems or worries they have – this is called Place2Talk.

The Place2Talk lunchtime service from Place2Be will be continuing from September and we assume continued parental consent for those who have not declined the offer. An information sheet about this service is available in paper form at the school reception or on the school's website.

How does Place2Be work with adults?

Place2Be provides support and advice for parents and carers, as well as teachers and school staff. Get in touch with the Place2Be staff member below to find out more.

Place2Be can also meet with parents or carers regularly to keep them updated and to ensure the parent/carer is involved in any one to one support from the start.

Any questions?

Jonathan Emeruwa is our School Project Manager for Place2Be.

He works on Mondays and Fridays and you can either arrange to meet them at the school or to get in touch on 01992762840.

This week, all year groups focussed on the PSHE theme 'Getting to Know You'

Getting to know you.

Our first week in IT was spent getting to know each other and our new classroom.

I like my room because it has better stuff and I like my new teacher.

Iman

I like being back with my friends and I am wanted Miss Tootill for my teacher because she is nice and friendly.

Catherine

It is good at school because there is more stuff to do.

Millie-May

I like being back with my friends. I get to play with Dylan because I missed him.

Elias

"I feel happy today because I am back at school"

2L

How can we show we care?

Blow kisses.

These are different feelings that I have.

Year 5 – Getting to know you and creating a class contract.
