Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents/Carers, Governors and Friends,

Covid-19

The increase of Covid transmissions is also affecting Enfield where we are at National infection levels. Please ensure that all parents/carers wear a facemask when dropping off/collecting children. This will help minimise risks to vulnerable members of our school community and that a positive case leads to having to close a bubble or even the school. Thank you for your cooperation.

To report a Covid absence during out of office hours please complete this form <https://www.princeofwales.enfield.sch.uk/covid-19-help-report-an-absence/>

Meet the Teachers' virtual Café

The first online Year meetings have taken place this week. Thank you to families who have been able to join live. We are learning to master this new form of communication as part of our *digital transformation plan*.

Similarly, home work will be set via our Microsoft 365 TEAMS learning platform. [Use this link](#) to find out how to set this feature for your child at home. Please let your class teacher know if there are any barriers to your child accessing homework in this way at home.

Nut free school

We have a number of children who are severely affected when eating nut products. Please do not send any food containing nuts, such as Nutella, in packed lunches and snacks.

Parking in Salisbury Road

Collection and drop off in the past few days will have been a much better experience for everyone at the bottom of Salisbury Road now that we have restricted access to vehicles. Thanks again for all your understanding and messages of support.

Finally, Shana Tova 'May you have a good Year' to Jewish members of our school community that celebrate Rosh Hashanah (*Jewish new year beginning at sundown on 18 September and continues through nightfall on 20 September*).

Mr Bless

Choices - Value of the Week

This week the value is Choices. In the assembly we explored all the choices we have and why we choose to make the choices we do. We also discussed the consequences of different choices.

This week and next week the whole school will be immersed in history and we launched the history learning by looking at some of the choices that were made in different periods of time.

Year 2- The Fire of London

After the Fire of London choices had to be made about what sorts of buildings would replace those destroyed in the fire.

The Fire of London-
year 2

Year 3- The Stone Age

The hunters had to choose the best places to hunt.

The Stone Age-
year 3

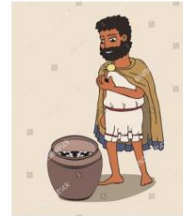

Year 4- The Ancient Greeks

The Ancient Greeks created democracy and citizens were allowed to cast votes.

Year 5- The Vikings

The Vikings decided to invade England and had to choose where they would settle.

The Greeks- year 4

The Vikings- year 5

Year 6- The Tudors

Henry VIII chose to break with the Catholic Church in Rome so he could marry Anne Boleyn.

All of these history topics can be researched but did you know that they all have links with Enfield and the questions are:

Year 2 - The Plague came before the Fire of London and the people who died were buried in plague pits. Where do some people believe these pits were in Enfield?

Year 3 - The tooth of a woolly mammoth was found very close by to us at school. Where was the tooth found?

Year 4 - Where are the votes counted in Enfield after an election?

Year 5 - On what river did the Vikings sail before they were stopped by King Alfred the Great?

Year 6 - What is the name of the palace and where is the palace that Henry VIII built in Enfield?

The Tudors- year 6

This year at Prince of Wales Primary school we are taking part in the Mini London Marathon.

Children in the school will be running a total distance of 2.6 miles over several days to complete the mini marathon. And, when they have completed the marathon they will receive a medal just like they do in the London Marathon.

This is the first time that we are entering this event as a school and we are really excited about completing this unique event.

Keep reading the newsletter to see how many children received a medal for their efforts.

Our mini marathons will be taking place the weeks beginning the 28th September and 5th October.
