*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents/Carers, Governors and Friends,

It is with a sense of relief that we reach the end of this school year without any further bubble closures. I hope that from September that term will just relate to the soapy kind and that all the recent restrictions and signage around the school can be consigned to history.

As a school community we can be proud at the way we tackled the challenges of the past 11 months. My colleagues and I appreciate the numerous messages of support we received including through the written and verbal comments to the school reports. These contain valuable targets for your children to work on during the summer and I ask that all children participate in the Summer Reading Challenge – see page 6 for more information. Will our school have the largest number of participants in Enfield again?

In the certificate assemblies this week, each year group celebrated pupils performing well in their learning during the summer term. Children in every assembly could explain clearly that getting things wrong is an essential part of learning. They told of their pride of achieving something despite having to try multiple times and also that the prize of having completed a piece of learning was for them to move on to more challenge. I am delighted that this mature attitude exists in all year groups, including Year 1. See page 4 for all the names and photos of our winners.

Today we said goodbye to our Year 6 cohort in front of their families. It was wonderful to have an event with a parent/carer audience again after such a long time. As Miss Clarke said, it felt like a new beginning. We wish our departing pupils the very best in secondary school. Photos of the assembly can be seen on the very last page.

Whilst I am looking forward to a long break from work with my family, I am excited to sharing our new initiatives and opportunities for 2021-2022 when we return in September. For many working parents it will be welcome news that I can finally confirm our new after school provision that is available after the summer break. The start date depends on the club receiving their Ofsted go ahead (hopefully during summer) but parents/carers can register interest by using the following link to start the registration process [walkerchildrensclub.com/book-online-](http://walkerchildrensclub.com/book-online-). See the flyer on pages 2 and 3 for more information.

Finally, a big thank you to my colleagues for their unwavering work this year to ensure a top class education for our children. I wish you and our school community a wonderful, relaxing and safe summer and I look forward to seeing all our children back on Thursday 2<sup>nd</sup> September.

Mr Jan M Bless  
Headteacher

# Walker Children's Club

We have provided trusted childcare for 18 years, in a homely, nurturing environment with a highly qualified and experienced Team of Staff.

**After School Club 3:15pm - 5:45pm**

**We are planning to extend our service the families of The Prince of Wales School in September and will be sending out more information soon.**

**Walker Children's Club offers a wide variety of entertaining activities, games, crafts & sport to meet all ages & all needs. Quieter chill out zones to relax, read or even to do your homework - there's always someone on hand to help!**

## GLOWING REPORT FROM OFSTED IN 2019

**“Always happy to chat about what we offer  
and how we can meet your needs”**

“Staff provide children with interesting opportunities to engage in outdoor activities. They eagerly build dens, dig in the soil, use a telescope and enjoy outdoor cooking.”

**OFSTED INSPECTION COMMENT**

“My daughter always has a great time. I think the only issue she’d have is that the day isn’t longer!”

**PARENT COMMENT**

“Well planned organised activities. My daughter loves every second of the club and never gets bored”

**PARENT COMMENT**

“Children benefit from a quiet area where they can sit and relax. There are a range of books which children can access if they want to sit and read or look at the pictures.

The resources reflect the diversity of the children who attend the club.”

**OFSTED INSPECTION COMMENT**

“I liked being with friends”

“I enjoyed the spa, movies, and games”

“I liked making ‘slime’ at club”

Thanks to Mrs Parkhouse and Miss Redmore for teaching the recorder lessons this year.

We're so excited to reveal the theme for the Summer Reading Challenge 2021!

Get ready for **Wild World Heroes**, arriving **online** and in your **local library** this summer.

Wild World Heroes will inspire children to explore ways of helping to save the planet, with a focus on tackling real-world environmental issues, from plastic pollution and deforestation to wildlife decline.

The Reading Challenge begins from July 10<sup>th</sup> and children can participate by visiting their local Enfield Library, joining the challenge, and reading six books over the summer. Along the way, participants will receive stickers and a medal with a certificate when they have read all six books.

Another attempt on goal by Year 5.

### Year 5 v Year 6 boys' football match

Under a sweltering sun, Year 5 and 6 boys played a friendly match on Tuesday. Regardless, Jayden A, Arios, Aaron E, Aaron M, Hasan Efe, Yilmaz, Brian, Romario, Caleb, Jesiah, Lewis and Tyrese ran back and forth with boundless energy; this was their one and only chance this year to see some competition on our field.

Year 5 was first to score and saw their lead rise to 2 in the first half with Year 6 valiantly attempting shots on goals but excellent goal keeping by Jayden A and the bar kept getting in the way until their efforts were rewarded in the last second.

The second half began with a flurry of goals from Year 5, increasing their total to 5. Year 6 regrouped with determination but time was not on their side. In the end, Year 5 won by one goal difference: 5 – 4. Well done.

The match was punctuated by excellent sportsmanlike behaviour and good humour by both teams.

Mr Bless' photomontage that captures Year 6's 4<sup>th</sup> goal from a set piece. How many times can you spot the ball?

Year 5 circumvents the Year 6 defense to end up with another brilliant goal.

It was hard to play due to the hot weather conditions but we had a lot of fun. Thanks to Mr Ferns for organising this.

Tyrese Y6

## Year 2

In numeracy we have been learning to tell the time. We have also been learning how to play Draughts.

We have been comparing healthy and unhealthy plants and growing sunflower seeds.

# Computing Hero of the month

Our final Computing Hero of the month is computer scientist American Mark Dean. He was the first African- American to become a IBM fellow, which is the highest technical honor the company offer. Dean was responsible for leading the team that made the first one gigahertz processing chip. Read on to find out what our children researched.

Year 4 Completed a research an retrieval activity on Mark Dean.

HEALTHY

EATING

A group of Year 5 pupils learnt about the importance of healthy eating for their bodies and minds - "Poor food choices affect your mood." They presented their findings to Mr Bless and Miss Clarke who were then invited with class 5T to a healthy buffet of salad, fruit and various crackers. Thanks to Miss Dhillon for supporting the group.

Chef Len has held daily sessions with many classes to talk about the ingredients he uses in children's school lunches. They were able to touch, smell and taste these that included some of our own school grown produce. Next term, Glen will also be making bread with groups of children.

# FOOD WITH LEN

We tasted potatoes prepared  
in different ways too!

Len, our new cook, kindly invited the  
children to the kitchen. He discussed  
where our food comes from and the  
different ways to cook ingredients like  
beans and potatoes.

The children also held and smelt the  
herbs we grow in our school garden.

It smells so strong!

# 2020-2021

## Year 6 Leavers Assembly

Through songs and photos, our Year 6 pupils shared fond memories of the past, talked with pride about their achievements and looked forward to the future through their many ambitions.

Chair of Governors Mr way, Miss Clarke and Mr Bless praised the children for their resilience despite the adversity and struggle of the past year. This theme echoed this morning's 3 minute *Thought for the Day* broadcast that Mr Bless promised to share with the Year 6 parents: [BBC Radio 4](#)

## Year 6 Award Winners

Congratulations to the award winners of this year:

Mathematics Award – Beverley Ofori-Bonsu  
Reading Award - Zipporah Acheamong  
Sports Award – Maryam Abubaker  
Art Award – Jaleel  
Governor Award – Oskar Thompson

Last year's award winners Lucas, Raed, Sofia, Connor and Perrez gave out the awards with Perrez also spontaneously addressing the audience and reflecting on how PoW helped him as a learner.

## Goodbye & Good Luck Year 6
