## Opera House Visit - The Magic Flute

Year 6 Friday 24<sup>th</sup> September 2021

What did our pupils think of their opera visit?

- Tupaxx: I enjoyed the Pa Pa Papageno part where we all sang.
- Tatiana: My favourite part about visiting the opera house was when the bird catcher met Papageno.
- Isabella: I liked it when Papageno was making jokes.
- Bejna: I liked the part where the Queen of the Night disowned her daughter and sang the famous song.
- Jakub: I liked the part when the queen of the night came because I liked how high and low pitched her voice was.
- Zara: It was amazing to see a video clip we were shown come to life.
- Zack: I enjoyed the opera because it was a fantasy.
- Eliz: I liked how they used their voices to sing and I liked the outfits they wore.
- Sultan: It was fun to watch The Magic Flute at the Royal Opera House.

## Celebration of Head Girl, Head Boy, Deputies and Prefect appointments

In front of their parents/carers, Year 5 and Year 6 peers, our newly appointed Head Girl and Boy, their Deputies and Year 6 Prefects received their badges in an official ceremony. This was followed by refreshments in the Community Room. We wish them a successful probationary period and we look forward to the impact they will have by supporting children across the school through their positive contributions.

### Year 6 Value of the Week Trophy

Our pupils like certificates, badges, medals and trophies and why not. It is lovely to be recognised for doing something above and beyond. When former Deputy Headteacher Mr Taylor Sr. left, he bequeathed Year 6 a weekly trophy in the shape of Resilience Mouse our well known school resident that reminds our children of this important value when faced with challenging situations. This week, it was awarded to Evrim who has made a very good transition to Year 6 – congratulations.

Rainbow Class retold the story of Resilience:

## MYSTERIOUS LIFE — OF HEDGEHOGS

Further to last week's other rodent visitor to our school, pupils in 5T researched hedgehogs and found out information about their habitat, diet, scientific names (body parts, male/female/baby, Latin name), why it is called a hedgehog, why it is endangered etc etc.

Bella 3H made this lovely poster and named the hedgehog.

## Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19

### **When an individual develops COVID-19 symptoms or has a positive test**

Pupils, staff and other adults should follow public health advice on [when to self-isolate and what to do](#). They should not come into school if they have symptoms, have had a positive test result or other reasons requiring them to stay at home due to the risk of them passing on COVID-19 (for example, they are required to quarantine).

If anyone in your school develops [COVID-19 symptoms](#), however mild, you should send them home and they should follow public health advice.

### **When to self-isolate**

Self-isolate straight away and get a [PCR test \(a test that is sent to the lab\) on GOV.UK](#) as soon as possible if you have any of these 3 symptoms of COVID-19, even if they are mild:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

You should also self-isolate straight away if:

- you've tested positive for COVID-19 – this means you have the virus
- someone you live with has symptoms or tested positive (unless you are not required to self-isolate – check below if this applies to you)
- you've been told to self-isolate following contact with someone who tested positive – [find out what to do if you're told to self-isolate by NHS Test and Trace or the NHS COVID-19 app](#)

Information:

You may need to quarantine when you arrive in England from abroad. [Check the quarantine rules when entering England on GOV.UK](#)

### **When you do not need to self-isolate**

If someone you live with has symptoms of COVID-19, or has tested positive for COVID-19, you will not need to self-isolate if any of the following apply:

- you're fully vaccinated – this means 14 days have passed since your final dose of a COVID-19 vaccine given by the NHS
- you're under 18 years, 6 months old
- you're taking part or have taken part in a COVID-19 vaccine trial
- you're not able to get vaccinated for medical reasons

Even if you do not have symptoms, you should still:

- get a [PCR test on GOV.UK](#) to check if you have COVID-19
- follow advice on [how to avoid catching and spreading COVID-19](#)
- consider limiting contact with [people who are at higher risk from COVID-19](#)
