Newsletter  
19<sup>th</sup> November 2021

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents/Carers, Governors and Friends,

## 100% Attendance Club

To remind our children how important it is to come to school every day (unless ill of course) we are celebrating every 50 days all children with 100% attendance. Turn to page 9 to find out who they are. Our attendance has been rising steadily since the start of this term and we hope to break through 95% to reach our school target of 95.5%.

## 100% Homework

This week, we also celebrated all the children that completed all their homework that was set during Autumn 1. This also an acknowledgement to all the parents, older siblings, aunts and all those who help our pupils with their homework tasks. Find all the children's names on page 7.

## Maths on Toast

How about a festive themed and fun maths challenge? Mrs Whyte invites everyone to have a go at making a very different Christmas Tree – see page 4. I hope to see many of our families having a go at this and sharing their results – all will be put in the newsletter.

## Spelling Bee

I was proud to see how each team from Years 1&2, 3&4 and 5&6 managed to stay calm and composed when in turn having to spell the hardest words from their year list. Find out on page 5 which team progressed to the finals.

*Wishing you all a lovely weekend,*

Mr Jan M Bless  
Headteacher

## First Aid Volunteers

Our new 'Year 6 First Aid Volunteers' will be helping out in the medical room. They will assist Mrs. Dunlea with general daily duties and be a kind and helpful presence for our younger children. This experience will also help them consolidate their previous first aid training.

Join Maths on Toast to prepare for the festive season – by making your own mathematical Tree!

### About this event

*For children aged 4 - 12 and their families*

Four tetrahedrons joined together will form a Sierpinski tree (a tetraTREEdron)

Four tetraTREEdrons joined together will form a larger tree...

The more tetraTREEdrons, the bigger the structure!

How big will you make yours?!

### Date and time

Sat, 20 November 2021

11:30 – 12:30 GMT

[Add to calendar](#)

We'd love to see your TetraTREEdrons: send photos to [info@mathsont toast.org.uk](mailto:info@mathsont toast.org.uk) or share on social media – tagging @mathsont toast – and we'll include your picture in our [online gallery](#)!

If you're looking for more creative maths fun, go to [Activities & Resources | Maths on Toast](#) for plenty more craft, colouring, construction, games, activities, tips and ideas.

What you'll need:

- [Template](#)
- Plain paper, pencil and ruler
- Scissors
- Glue
- Sellotape
- Colouring pens, pencils or crayons
- Further crafty decoration items (optional)

Year 1 - Joshua, Alicia , Oscar  
Year 2 - Maryama, Destiny, Ellerie

Year 3 - Harmony and Natalie  
Year 4 - Ela 4F and Ariaah

Children from each year group were selected for their prowess in spelling words from their year's expected word list. They competed against children from three other schools: Worcesters, St John's CE and Hazelwood. Our children can be congratulated for doing a very good job and the end results were very tight. Our Year 5 and 6 group won their heat and will progress to the final.

Year 6 - Varun and Kayden  
Year 5 - Rania and Spencer

## Christmas at PoW is going 'card less'

This year, Prince of Wales is supporting 'sustainability' by going 'card less' for Christmas. All pupils and staff are invited to bring in a £1 donation for their chosen charity, instead of sending cards to pupils and staff.

Year Group	Chosen Charity
Nursery & Reception	Cancer Research UK for children & young people
Year 1	Centrepont
Year 2	MACMILLAN Cancer Support
Year 3	PoW Food Bank – please donate Christmas food
Year 4	NSPCC
Year 5	PoW Food Bank – please donate food items
Year 6	Cancer Research UK

**Thank you for your support.**

## Autumn 1 homework engagement

Well done to all these children that completed every piece of their homework last half term.

Will we see more names mentioned in January when we look back at Autumn 2?

The children all received extra playtime for their efforts.

**Introducing CHALLENGE YOU**  
8 WEEK PROGRAMME

Challenge You is an 8 week programme designed to help children and their parents understand more about the factors that contribute to an unhealthy lifestyle and how to overcome these issues. Sessions are **FREE** and take place at both Southbury and Edmonton Leisure Centres.

**What will we learn?**

- The reasons why children might become overweight or obese
- How small changes to diet and portion control can make a significant impact
- Suggestions for healthier alternatives to common favourite snacks and meals
- Guidance on suggested activity levels for children aged 7-11 years old
- Ways to incorporate fun physical activities into your child's day
- How to manage screen time and encourage more sleep

**35% OF 10-YEAR-OLD CHILDREN ARE OBESE**

## **100% attendance**

The following children have been in school 50 days or 100 sessions since the start of this term. Coming to school every day and on time means a greater chance of success in your learning and development.

We now start the next 50 days and hope to see many more children getting a special award.

The figure to beat is 28%
