Newsletter  
28<sup>th</sup> January 2022

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents/Carers, Governors and Friends,

## Dress up for Digits on Number Day – Friday 4<sup>th</sup> February

Next Friday, all children are invited and encouraged to wear clothing or create a home-made item with numbers on it to participate in Numbers Day on Friday 4<sup>th</sup> February. What numbers, facts, calculations do they know about their number(s)? The numbers that children wear will be used in a variety of fun activities to bring maths alive. *See page 5 for more information.*

## Parent Governor Vacancy

Would you like to make a contribution to the lives of the children in our school? The Governing Body of the School offer the fantastic opportunity to do this as it currently has one vacancy for a Parent Governor. Parents interested in standing for election to fill this vacancy are invited to apply.

If you wish to stand for election, please let me know in writing by Thursday 3rd February 2022. For further information, see our school website:

[Governing Body | Prince of Wales](#) – scroll to the bottom.

## POW Parents are you looking to work in a school?

This could be just what you need.. turn to page 9

## After School Club – finally an update

I am pleased to be able to update you that Ofsted visited our school this week and met with Walker After School Club. They were impressed with our facilities and a certificate should be issued soon. Next, the club will recruit suitable workers and can finally open. If you are interested in such vacancy or for a place for your child, look out for further information.

## Snow White Pantomime

On Thursday, our children and staff were treated to a fantastic version of Snow White. Can your child use the photos on page 10 to retell this version that is a blend of the traditional tale blended with contemporary and popular culture? We reckon that this was M&M Theatre's best show yet and we look forward to their return in July for their production of The Hobbit to KS2 and then in January 2023 for Sleeping Beauty; Oh yes they will!!

Wishing you a fabulous weekend,

Mr Jan M Bless  
Headteacher

Have you heard about our amazing new app?

**It's 1-Minute Maths**

Designed for use both in class and at home, our new 1-Minute Maths app helps children build greater number confidence and fluency. It's all about targeted practice in engaging, one-minute chunks!

Download on the App Store | GET IT ON Google Play

This first version of the app is aimed at Key Stage 1 pupils, and focuses on adding and subtracting — and on 'Subitising'. The free mobile app is available for Apple!

Click or tap to follow link.

## Check out these 7 top reasons for using 1-Minute Maths!

1. Excellent practice — and no distractions.
2. A clear, intuitive process that children pick up straight away.
3. No login or internet access needed. Just download and play.
4. Enjoyable and motivating... How many can they get correct in one minute?
5. Helpful hints match those used in class.
6. Brilliant for building number fluency and confidence.
7. It's FREE!

**1-minute MATHS**

GET IT ON Google Play

Children can choose any topic they want to try. They then answer a unique series of questions (so it's a different set of questions every time). If they're struggling with a question, a 'Hint' button will give a helpful clue by showing the question in a different but familiar way.

When the one minute's up, they'll see a feedback screen telling them how they've done.

# Number Day 2022

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

On Friday 4<sup>th</sup> February 2022, Prince of Wales are having a fun day of maths activities and we will be taking part in Dress up for Digits. Pupils and staff will be wearing an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme.

## **POWER Sale Friday 4<sup>th</sup> February**

**The POWER Sale will be held in the Community room**

**See you there.**

In art, Y1 are making sculptures and require wire coat hangers for this. If you have any wire coat hangers that you can spare, Year 1 would be most grateful. We need them before the 4<sup>th</sup> February. Thanking you in advance.

**Read Write Inc.**  
Phonics

On Tuesday 1<sup>st</sup> February 2022 at 9am, Year 1 will be holding a Phonics Café in their classrooms.

Please come along to find out how your child is taught phonics and spend some time reading with them.

We look forward to seeing you there!

## Climate Action Update: Electricity Usage

Miss Elliott our School Business Manager was pleased to report to Year 5 and 6 that all the efforts that are being made to turn off lights, computers, etc., when not in use, are having a really positive effect on our electricity consumption. Despite large energy price increases in the past few months we are actually managing to save money when compared to the same period in the previous year.

Across September to November 2020 we used 45,225kwh of electricity, costing the school £7206. In contrast, across September to November 2021, we used 39,888kwh, at a cost of £6150. This is a saving of 5337kwh and £1056!

Thank you to everyone who has been making a conscientious effort to achieve this and especially to the members of our School Parliament that have been embracing their new roles as energy monitors.

## Steel Pans

It is wonderful to hear the sounds of steel pans again.
