A familiar sight in our playground after Year 6 completed their KS2 Sats this week: a deserved treat from Frankie

This is what Year 3 children saw when entering the Music Room this week: real flowers and photos with magnifying glasses to study them as an introduction to their next music lesson that is part of our Meadow Song project. Inspired, the children have learnt four songs about wild flower meadows and the creatures that visit them.

As a result of the upcoming Platinum Jubilee, we are collecting toys for our Jubilee Museum. This has led to a renewed interest in the Rubik's cube. Five pupils braved a frantic round of twisting and turning in front of the school until Jacob was the first to hold up his completed cube in 44.75 seconds.

RUBIK'S FIGURES

The next challenge is improving on your time or try one of the other figures.

SAVOURY PINWHEEL SCONES

MAKES 10

INGREDIENTS

125g Plain Greek Yoghurt
375g Self-Raising Flour
1tsp Baking Powder
1tsp Paprika Powder
140g Mild White Cheddar
200ml Whole Milk
3tbsp Tomato Puree
70g Feta Cheese
200g Sliced Ham
200g Chopped Spinach
2 finely chopped Spring Onions

METHOD

1. Pre-heat your oven to 200C.
2. Lightly grease a baking tray.
3. Sift the self-raising flour and baking powder into a bowl.
4. Stir in 60g of grated cheese & paprika.
5. Add the Greek yoghurt and stir the ingredients together.
6. Slowly add milk until the mixture is moist, but not too wet. (Keep back a little of the milk to brush on the pinwheel scones before baking.)
6. Mix lightly all of the ingredients together until it's all combined into a soft dough. Be careful not to over stir, you could use a knife to 'cut' in the milk.
7. Turn the dough on to a clean, lightly floured surface.
8. Knead well for 5 minutes.
8. Roll your dough out into a large rectangle, until it's about 5mm thick.
9. Spread surface of rectangle with the tomato puree and scatter with feta cheese, the rest of the grated cheese, the ham, the chopped spinach and the spring onions.
10. Roll it up tightly to form a long roll.
11. Cut into pieces that are 3cm wide, and arrange spiral side up and touching one another on a prepared baking sheet.
12. Brush surface of each scone with a little milk.
13. Bake for 20-25 minutes, until firm and golden brown.
14. Leave to cool, and then enjoy!

Class 6C loves Stratego – indoors *and* out!

This week's sign is: Queen, which is in preparation for the Queen's Platinum Jubilee.

To sign *Queen* you need to use two signs (*this links to Makaton – a support used to communicate in school*).

1. **crown**
2. **woman** (this would change to sign *man*, if we signed *King*)

Click both links to see how to sign our word of the week:

1000000 HUNGRY CATERPILLARS

In 2018 ([15.06.2018](#) page 2) we were pleasantly surprised when an army of *bird cherry ermine moth caterpillars* covered our bird cherry tree in the Buddha Garden. This week they have returned. The harmless to us, diminutive creatures were not spotted until they cleared the tree of all its leaves and started to spin everything in their delicate white webbing (compare with last week's newsletter on page 2 where our baton winners stand in front of a tree full green leaves). It is a fascinating sight for our children, offering again a great opportunity to study this spectacular phenomenon. Watch our video: [Ermine Moths at POW May 22](#)
