

# PRINCE OF WALES PRIMARY SCHOOL

Newsletter  
22<sup>nd</sup> July 2022

Dear Parents/Carers, Governors and Friends,

We finish another successful year by wishing all Year 6 leavers and departing colleagues the very best wherever they go next. This newsletter includes a tribute to Miss Clarke and Mrs Redmore who can enjoy a much-deserved retirement.

With ten staff leaving we will also welcome new teachers and leaders in September, including Mrs Langstaffe - Deputy Headteacher, Mrs Knightley – Assistant Headteacher, Mr Verral – Assistant Headteacher, Miss Grandison – English Lead, Miss Dunlea – former learning support and now new teacher, Miss Govtepe and Miss Eraclis – both former trainees and new teachers.

I am sure that you look forward to meeting new faces. Meet the new leadership team together with familiar faces on Wednesday 7<sup>th</sup> September at 9am or 2:30pm in the Square Hall.

Class teachers look forward to meeting parents of their new children during the first Parent Cafés of the term w/c 12<sup>th</sup> September: Year 6 on 13.09 at 9am and Year 3 at 2:30pm; Year 5 on 14.09 at 9am and Year 2 at 2:30pm; Year 4 on 15.09 at 9am and Year 1 at 2:30pm.

In her farewell speech, Miss Clarke read a poem from a book with African poetry about sunrise being the best part of the day as it holds so much promise. Whilst I look forward to the summer break, I am already excited about our next new beginning on 2<sup>nd</sup> September when you all walk through our gates again.

Kind regards,

Mr Jan M Bless  
Headteacher

### Final thrones

Read in this newsletter about the Reception and Nursery thrones of the current and past decade. Mr Taylor also exhibits these through our own Prince of Wales Online Art Exhibition – <https://artspaces.kunstmatrix.com/en/exhibition/10544463/jubilee-thrones>

### 'Keep in touch' Corner

Departing children and staff are welcome to and encouraged to keep in touch. If you wish to share an aspect of what happened after you left and it also related to the legacy of Prince of Wales, I would be happy to post it in our newsletter

### Summer Reading Challenge 2022

# Mrs Redmore's Leaving Assembly

Mrs Redmore's leaving assembly was a celebration of her music legacy at Prince of Wales that we look forward to building on, including fantastic lesson plans she leaves for all classes next term. Each year group performed with songs and musical instruments learnt during weekly lessons with her.

## Mrs Clarke's retirement

On Thursday, the school community thanked Miss Clarke and paid tribute to her 32 years of dedicated service to its children and families through a wonderful assembly (see previous page) and at the Summer Celebration. Mrs Clarke championed the needs of all children whether curriculum or well-being, always 10 steps ahead of everyone else with her vision and acute understanding of how every fabric of the school could contribute like the pieces one giant puzzle. Miss Clarke was an innovator and exceptional role model who led the way with high expectations of herself. It has been a privilege for all teachers and colleagues to have benefited from working with and being led by Miss Clarke. She will be missed but her legacy lives on within us all. When faced with an educational dilemma we might hear a little voice: *'What would Julia do or say?'*

It has been a privilege to work alongside such passionate and creative colleague and leader from whom I have learnt so much.

Mr Jan M Bless  
Headteacher

Dear friends,

I'm sorry I cannot be with you today [Summer Celebration] and I hope you all have a fantastic afternoon of fun and entertainment.

We're here not just to celebrate the wonderful work you do at Prince of Wales Primary School.

We're also here to celebrate the incredible career of your Deputy Headteacher, Julia Clarke, who is retiring after more than three decades of service at this school, and in our wider local community.

Julia is far more than just a teacher.

She has been an inspiration to generations of children that have passed through this school, playing a truly formative role in their development.

Julia has a special place in the hearts of many of us, but particularly so for the local Alevi community.

She was a pioneer when it came to including Alevism in the school curriculum.

This didn't just raise awareness for a religion amongst young people but gave a voice to a key part of our local community.

Her legacy will continue to raise up those voices and ensure an inclusive curriculum for all.

I wish Julia all the very best in her retirement, and hope she enjoys some well-earned rest.

Feryal Clarke MP

Thank you, Mrs Clarke, for your services, hard work and dedication.

We feel privileged and honoured to have you at Prince of Wales as a headteacher. Prince of Wales has been a distinguished school since 1950 and you have contributed to that greatness. The school continues to have a positive impact on the pupils through the efforts of its teachers going above and beyond to improve the future of its pupils and in effect, the future of the community. I personally know first-hand how instrumental you have been to the growth and development of my two nephews who have graduated from this marvellous school.

As a Counsellor and an Alewi, I also would like to express my gratitude to you in the pivotal role that you have played in recognition of the Alevi faith by introducing Alevism to be taught at Prince of Wales School. Prince of Wales was the first school in England to do this. This meant that pupils were able to learn their faith which has been oppressed in their homeland. You have created an atmosphere in which communities are welcomed they are grateful to you as I am and my family living in Enfield Lock because you have made a difference to their lives.

I wish you all the best.

CLlr Eylem Yuruk  
Enfield Lock Ward.

## Miss Clarke – truly exceptional, inspirational & unforgettable

The Alevi community presented Miss Clarke with an award for her ground breaking work in writing RE units of work about Alevism that led to the UK being the first country in the world recognising the Alevi religion. Miss Clarke talked afterwards about the award symbolising 'belonging' which summarises the work she has done to ensure all children and families feel at home in our school community with a strong sense of self-worth.

### Leaving on a Jet Plane – John Denver (lyrics rewritten by Mrs Tootill)

All your bags are packed  
You're ready to go  
We're standin' here outside your door  
We hate to wake you up to say goodbye

But the dawn is breakin'  
It's early morn  
The taxi's waitin'  
He's blowin' his horn  
Already we're so lonesome  
We could cry

So wave and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause you're leavin' on a jet plane  
Don't know when you'll be back again  
Ms Clarke, it's time to go

There's so many times we've let you down  
So many times we've played around  
We tell you now, they don't mean a thing

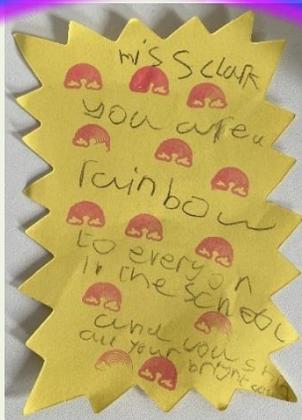

Every place we go, we'll think of you  
Every song we sing, we'll sing for you  
When you come back, you must pop into POW

So wave and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause you're leavin' on a jet plane  
Don't know when you'll be back again  
Ms Clarke, it's time to go

Now the time has, come to leave you  
One more time  
Let me hug you  
Then close your eyes  
And you'll be on your way

Dream about the days to come  
When you won't have to leave alone  
About the times, we won't have to say

So wave and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause you're leavin' on a jet plane  
Don't know when you'll be back again  
Ms Clarke, it's time to go (chorus X2)

Miss Clarke being an avid reader herself has driven the quality of reading at Prince of Wales through two quality school libraries and continually keeping the profile of reading high. She generously donated our first 'outdoor library' that will be installed in the playground. It works like a swap shop: any child can bring a book they have finished to swap with a book in the outdoor library. When finished, return it and swap for a new one.

*Outdoor Library custom made by Tony*

### Favourite Things

(Sound of Music song lyrics rewritten by Mrs Frith and Mrs Waldman)

Cézanne and Hockney and Monet and Manet.  
Zeus and Poseidon and Hera and Venus,  
Children who read and children who sing,  
These are a few of my favourite things.

Trips to the opera and the royal ballet.  
Meetings on climate change and a class café,  
The curriculum map and the good that it brings,  
These are a few of my favourite things.

Neat handwriting and very straight margins.  
Sweet piano playing and recycling bins,  
Thrones made from plastic chairs fit for a king,  
These are a few of my favourite things.

When the phone rings  
And it's Ofsted  
And you're feeling blue  
You simply remember your favourite things  
And then you know what ... to do!

Each year group sang three songs for Miss Clarke linked to the theme of 'Curriculum' that she led with such passion and creativity. The lyrics of these two songs were adapted and tailored made to her, making the occasion even more special (and emotional!).

# Summer Celebration

## 100% ATTENDANCE between 01/09/2021 and 19/07/2022

First name	Surname	Form

# 2010s THE DECADE

## ROYAL WEDDING THRONE by Ash Class

In Ash class we made Union Jack bunting and stuck these to the chair. We added photos of us wearing our crowns on Jubilee Day. We spoke about the events of London 2012 and looked at pictures. We also watched a video clip of the Royal Wedding. Ava drew Kate and William holding hands. Miss Osman made a special royal gold cushion for the seat and Laura made some flags to add the top.

## POW THRONES

### JUBILEE THRONE by Birch Class

Our Jubilee Chair represent the decade 2010-2020. The children drew pictures of the Royal Weddings of Prince Harry and Meghan and Prince William and Kate. They painted bunting in the colours of the British flag. They also drew and coloured the Olympic rings representing the London 2012 Olympic games.

## UNION JACK THRONE by Oak Class

In Oak Class we practised making patterns using the colours of the Union Jack flag. We covered the chair and added card to make the shape of a throne. We researched online the wedding of Prince William and Kate Middleton, practising our pencil control by drawing them getting married. We also added photos of ourselves wearing our royal crowns that we made.

## Naughty Virus Throne by Nursery

In 2020 we were still babies. During the '20s we couldn't go outside much, adults wore face masks, there were rainbows everywhere and every week there was clapping.

We threw balls covered in paint to make the naughty virus and cut them out for our throne. We used facemasks and rubber gloves too. During our time in Nursery, we celebrated the Queen's 70<sup>th</sup> Jubilee. We made flags and had a wonderful party.

## Free swimming this summer break

Enfield Council is funding free swimming sessions for under-16s over the summer holidays

Young people in Enfield will be able to take advantage of free swimming sessions at the borough's five Council owned pools after Enfield Council agreed to fund thousands of swimming sessions over the summer holidays.

You can book the one hour sessions at Southbury Leisure Centre, Edmonton Leisure Centre, Arnos Pool, Southgate Leisure Centre and Albany Leisure Centre by visiting <https://campaigns.fusion-lifestyle.com/enfield-free-swimming/>.

The offer will run between 25 July and the week beginning 29 August. It is strongly recommended that you book online as demand is expected to be high.

You can find out more by watching our short video <https://youtu.be/1M1XbZ1GBNw>

**CHILDRENS**

## Primary Interactive Summer Challenges 2022

We have a challenge a day for you throughout the summer break...

Each weekday, from 18 July to 2 September, a new interactive game or puzzle will appear on this page.

After you've had a go at the day's challenge you may be able to compare your approach to the solutions we have published, which are based on students' work.

You can also find [Secondary Interactive Summer Challenges 2022](#).

## 100 Square Jigsaw

Age 5 to 7

Challenge Level

Can you complete this jigsaw of the 100 square?

## 100 Square Jigsaw

Age 5 to 7  
Challenge Level ★

Use the interactivity below to complete the 100 square jigsaws. There are four different versions to try.

How are you going about this task? What are you looking for?

Well done to our parents/carers!  
We love it when our children give us their bright smiles!

## Enfield Holiday Activities and Food Programme!

Sports, arts, filming, cooking and many other engaging activities are taking place across Enfield during the Summer holidays.

Find programmes near you using our Activity Finder.

Get active →

## Weather watch

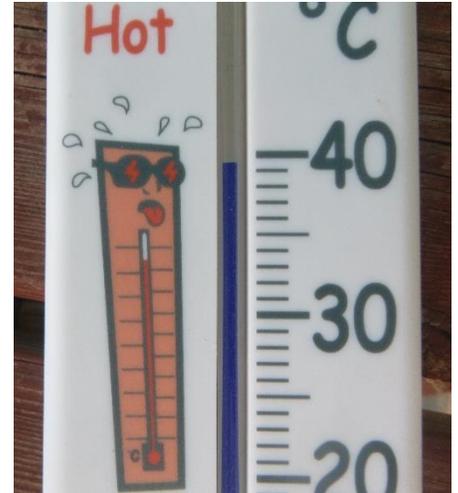

Tuesday 19<sup>th</sup> July 2022

# HOTTEST DAY EVER

On Tuesday 19<sup>th</sup> July, the UK experienced its hottest temperature on record, with a temperature of 40.2C recorded at Heathrow in London.

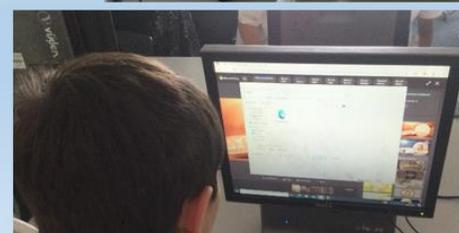

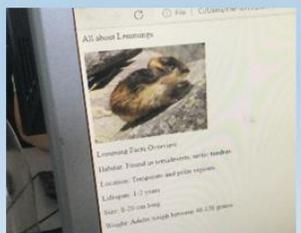

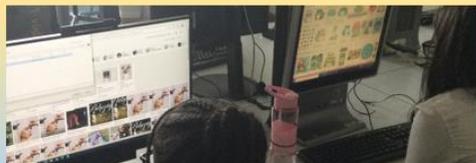

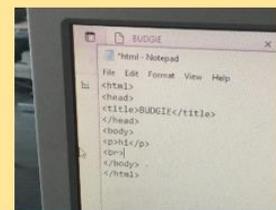

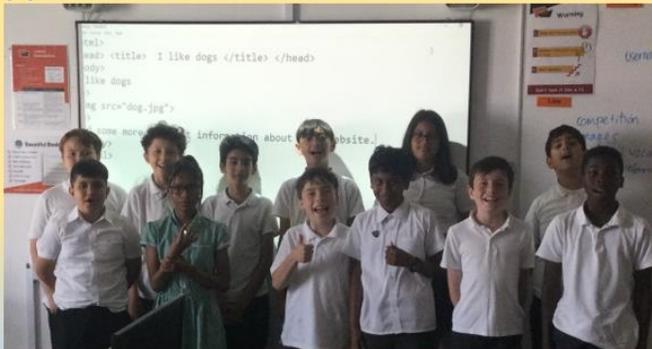

We have been keeping an eye on the weather by using our own instruments. The temperature is recorded in the shade at a height of 4 feet. This thermometer shows the temperature touching 40 degrees Celcius at 2pm outside of year 1.

We also looked at the temperature in full sunshine. The scale on the thermometer only went up to 40 degrees C so we had to draw a new scale on to accurately measure. We can see that the weather in direct sun was close to 50 degrees C. We will continue to use our weather station to check the seasonal temperatures.

# Year 6 – Computing trip to Oasis Academy

On Wednesday 20<sup>th</sup> July, a select group of year 6 children spent an afternoon in the Computer Department at Oasis academy. They were given the opportunity to explore HTML (Hyper-text mark up language) and use tags in the notepad app to create their own websites!

## Health & Safety Update – July 2022 Water Safety

This month, as we are looking towards the summer break in August, we thought we would give you some pointers from a range of sources to help keep you and your students safe.

### Water Safety

It is worth remembering that during the school holidays, and in particular in hot weather, increasing numbers of children and young people are drowning. On average, there are 50 of these tragedies each year in the UK.

We would discourage anyone from swimming in canals, rivers, lakes, quarries, or any other open water, who is not part of an organised swimming group/ activity, or who has lifeguard provision available.

Tips for staying safe in the water this summer from [Swim England](#):

#### 1. *Should you be swimming here?*

Before going in the water anywhere outdoors, ask yourself whether you should be swimming there. Look for warnings or guidance signs which may alert you to dangerous places to swim. Is there a safe place to enter and exit the water? If the answer is no, look for somewhere else.

#### 2. *Don't expect a solid pool floor:*

So it might sound obvious, but when you're swimming outdoors – unless you're in one of the many fantastic lidos around the country – you won't have a secure, solid pool floor underneath you. The bed of a lake, river or the sea will rarely provide a completely solid footing, and there may well be other obstacles and hazards underwater that you cannot see.

#### 3. *Do expect a current:*

Anyone who has swum in a lake or the sea will know just how hard it is to swim in a straight line. Rip currents, waves and tides will move you in different directions in the water. Always check the tidal activity before you go in so you know what to expect. Also, breathe away from waves and keep an eye on the shoreline. You should always swim parallel to the shore in standing depth water.

#### 4. *Once you've cooled down, dry off:*

Outdoor swimming is cold! And that's perfect if you want to cool down on a hot day. But until you're in the water, you don't know quite how cold it is, so make sure you enter the water slowly and safely rather than jumping in. Once you have cooled off and your body temperature has reduced, it's time to get out of the water. Do not stay in cold water once your body is starting to shiver.

#### 5. *Don't go out on your own:*

You aren't allowed to swim in a pool without supervision, so don't go swimming outdoors without anyone around. The safest and best places to go swimming outdoors will have lifeguards on duty, and you will be much safer swimming with friends than on your own.

#### 6. *Stay calm and signal:*

If you do get into difficulty swimming outside, stay calm and signal to shore for help. Fight the instinct to swim harder and against the water.

#### 7. *Dial 999 to help others:*

If you see someone else in trouble in deep or rough water, do not go into the water to help them. Too many people drown trying to save other people or their pets. Instead, call 999 or alert a lifeguard immediately. Look for something that floats which you can throw to them.

### Swimming outdoors is great fun

Swim England CEO Jane Nickerson said: "Swimming outdoors is great fun and in this weather it can be even better.

"But it is important to remember that swimming outdoors is very different to swimming in a pool.

"There are all sorts of additional factors like currents and underwater obstacles, and even in this weather the water will still be very cold.

"When you swim outdoors please make sure it is in a life-guarded area and that you are with other people.

"If you do get in to trouble, relax, stay calm and signal for help. If you see someone else in trouble, it is important to remember to call for help by dialling 999.

"Our coastline and waterways are fabulous places but please remember to take care while enjoying them."

Further information is available on [the RNLI website](#).

## Year 6 Leaving Assembly

Year 6 concluded their time in primary with a superb Leavers' Assembly. They can look back with pride and take with them the POW WAY. Stay in touch as we look forward to hearing how you progress through secondary school. A video of their presentation will be available in September.

Governor Miss Hodgson addressed Y6 leavers, parents and staff.

Art Award: Saniyah

Music Award: Brian

# KEEP BUSY THIS SUMMER

[120+ FREE Education Activities To Do This Summer \(theschooltrip.co.uk\)](http://theschooltrip.co.uk)

## POW YOGA Club

During Friday lunchtimes, children have been attending “Yoga club.”

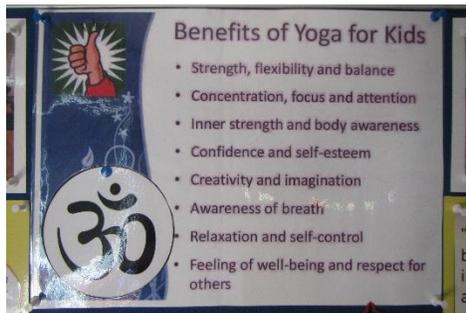

They have really enjoyed learning all about Yoga and the different poses involved with Yoga.

Yoga has helped the children listen to their bodies and become more aware of how their mind-set can affect their energy. They have learnt how Yoga helps them to clear their minds from distractions and put good energy into what they are doing now. It can increase confidence in being unique, and they can feel proud of what they have achieved. It supports them to connect with others more easily and they can feel stronger inside and out.

The Children have been very enthusiastic, learning all about the different Yoga poses and the importance of breath work.

They say, “Yoga, is a great way to have some fun and I feel so relaxed when we are finished!” (Atlanta 5G)

*Miss Dhillon – Learning Mentor*
