

PRINCE OF WALES PRIMARY SCHOOL

Newsletter
2nd September 2022

Dear Parents/Carers, Governors and Friends,

I hope that you had a great summer and that your children were able to access a good range of experiences by going out, accessing any of the free summer activities etc. I also hope that many have been able to participate in the Summer Reading Challenge or to at least keep up with reading.

Today, we have made a fantastic start to the school year with children look smart and fully engaged. This impressed our colleagues who started *new* this term and have come from other schools to join Prince of Wales. Let's welcome:

Mrs Langstaffe – Deputy Headteacher
Rachel Knightley – Assistant Headteacher
Mr Verrall – Assistant Headteacher
Miss Grandison – Year 3 class teacher and English Lead
Miss Hickman – early years practitioner
Miss Alman - receptionist
Mr Brace – head gardener
Miss Strempe – lunchtime playleader

Also, congratulations to colleagues who have completed their training with us last term and who as newly qualified teachers have started their first teaching position: Miss Dunlea, Miss Eraclis and Miss Govtepe.

All staff are looking forward to building on our recent successes and to work with you again.

SLT are inviting you to join them on Wednesday 7th September at 9am and at 2:30pm to meet new leaders, listen to your suggestions and to share our vision going forwards. This will take place in the Community Room.

Class teachers also invite you for the first Parent Café of the year that replaces the traditional 'Meet the Teacher' session. Teachers will share important information about their class as well as show where your child's learning will take place around the school site. This will help you understand the resources and provision available for them.

The dates for the Cafés are:

Year 6 on 13.09 at 9am and Year 3 at 2:30pm;
Year 5 on 14.09 at 9am and Year 2 at 2:30pm;
Year 4 on 15.09 at 9am and Year 1 at 2:30pm.

Kind regards,

Mr Jan M Bless
Headteacher

Today, children in classes focussed on getting to know each other.
Across the school they started making self-portraits to introduce themselves.
Here are some Mr Bless spotted when walking past classes.

There were so many great moments to look back on from last year. The Platinum Jubilee is definitely one to remember. We put some left-over plates, cups and a napkin to good use together with photos to give us a big smile when walking past this display. What makes it even better is the first use of a QR-code on a display in our school.

When you visit us, take out your phone to have a look!

Clue: what is missing from this display? *Something all classes did after they finished their feasting ...*
