

PRINCE OF WALES PRIMARY SCHOOL

Newsletter
16th December 2022

Dear Parent/Carers, Governors and Friends,

Children and staff can look back on a very productive term with further positive changes to teaching, learning, personal development and well-being that we will continue to develop in the next two terms - after enjoying a well-deserved Christmas Holiday. We look forward to seeing our children return on Wednesday 4th January 2023.

Merry Christmas and Happy Holidays on behalf of the whole School Team,

Mr Jan M Bless
Headteacher

determined to open

What wobbles and flies?
A Jelly-copter!

what's furry and minty?
A Polo Bear.

Who's Rudolph's favourite pop star?
Beyon-sleigh!

What do you get when you cross
a snowman with a vampire?
Frostbite!

Christmas Dinner

Why did the turkey cross the road?
Because it was the chicken's day off!

What does an angry kangaroo do?
Get hopping mad.

What do you call a deer who can't see?
No-eye-deer!

Who hides in the bakery at Christmas?
A mince soy!

SNOW FUN !

at home and at school

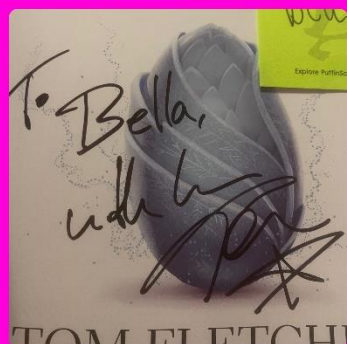

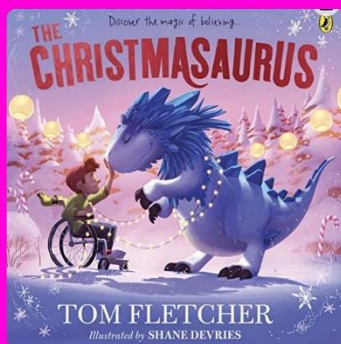

Launch of our Discovery Programme

Run in conjunction with children's literacy charity the **Children's Book Project**, the Discovery Programme presents an exciting opportunity for every pupil to choose and take home books of their own over the course of this year. The books are entirely free of charge and are for children to keep or to pass on to friends. They can then keep both books or swap one of them before taking theirs home to keep.

We will be putting on three book gifting events (one per term) where all children will be invited to participate.

The first Book Gifting Party took place this week.

**WE LOVE
READING**

After being inspired in the year 4 parents cafe this term on the Christmasaurus, we managed to meet Tom Fletcher himself in a private book signing in Piccadilly London last weekend :-).

Bella's mum

Talent Show 2022

On Wednesday afternoon, children in Key Stage 2 watched our annual Christmas Talent Show. The standard of performances was very high and included dancing, singing, gymnastics, playing instruments and even naming different flags! Thanks to all staff involved in the Talent Show.

POW's Got Talent!

Well done and congratulations to all of the children who took part and put on a fantastic show:

Wahab, Miraz, Tyler, Christie, Agnes, Irem, Mira, Christine, Azra, Yavuz, Pixie, Botan, Patricia, Ali, Rayan, Tsihon, Anna, Jessica, Christabel, David, Ayse, Lara, Rolexx, Keshawn, Atlanta, Nevaeh, Constance.

Year 6 can't get enough of MacBeth

Year 6 have had an interesting half term, they have studied William Shakespeare's play Macbeth and enjoyed a visit to the Globe Theatre earlier in the term. This week they were treated to an outstanding performance of the "**Scottish play**" from the Young Shakespeare Company. The actors delivered a memorable performance and the children were active participants and took on small roles within the play. Children and staff were thoroughly enthralled throughout the whole production.

Year 6 Speech Day

Year 6 children watched Greta Tunberg's address at the U.N.'s Climate Action Summit in 2019. It was of course powerful and served as inspiration for our children to think what they might say at such event. This was the best speech in 6W:

Hello my name is Humahira and I am in 6W. I am here today to talk to you about the seriousness of climate change and how it is affecting not just England but the whole world.

Just imagine the whole world is going to be demolished, how would you feel? I bet you would feel bad. This is selfish. The earth really does matter, everything you ever wanted is on earth: your car, your home and your family! But clearly this is not enough.

You will be shocked to learn how global warming is causing 750 billion tons of Arctic ice to melt each year. This would not be happening if we in the first world were not producing so many greenhouse gases such as methane and carbon dioxide. However, 95% of the cities affected by climate change are in the third world. This is definitely not fair.

But there is a way to make it right. We could use renewable energy and stop polluting by using diesel cars and upgrade to electric cars.

If you don't learn anything after listening to me, you should be ashamed!

There are people suffering, people dying and still there is no help. The government is failing us. This shouldn't be happening. We have prime ministers for the better, not for the worse!

Thank you all for listening to me, we can protect our world. I know we can.

Coffee Morning with EASA

This is an open invitation for all parents/carers to
come and find out more about the
Enfield Advisory Service for Autism *EASA*

The session will include:

- Meeting some of the EASA team
- Finding out how EASA supports educational settings and autistic children and their families
- Finding out how to access the EASA website and supporting resources
- Learning more about the Autism Education Trust (AET) Eight Good Autism Principles (GAP) Principles, which guide the development of good autism practice when working with autistic children and their families
- Time to ask questions

Let's have
a chat

Date: Friday 27th January 2023

Time: 8.40am to 10am

Location: Community Room

For more information, please speak
to Ms Paddon
