

Dear Parents/Carers, Governors and Friends,

We conclude another amazing term at Prince of Wales with a range of exciting events mainly linked to Easter. There was a real buzz around the school that reflected the busyness emanating from every corridor, corner, room and hall to ensure a successful conclusion of these proceedings - a number of these have been captured in this newsletter. On top of that we hosted two days of meetings by headteachers and officials from our local authority who were very complimentary about our school.

Our school community can now enjoy a much-deserved break to unwind for two weeks before we return on Monday 17<sup>th</sup> April when we look forward to rolling up our sleeves for a great summer term. Do make sure you note the relevant key dates for you on the calendar and any new ones that will come up in the weeks ahead.

Happy Easter,

Mr Jan M Bless  
Headteacher

Don't miss in this newsletter:

- Who made butterbeer and who got to enjoy it too?
- What have year 5 been making with eggs and crumble?
- Which children were nominated for the end of term certificates?
- Can you help out Miss Tootill?
- Of course, we feature the amazing Aladdin production and the fundraising results of that evening
- To make up for the weather spoiling parents from joining our Easter Bonnet Parade, Mr Bless crammed more photos than ever onto one page and sacrificed the title as a result. Believe it or not, we had immense fun parading to 'royal music' (you'll have to zoom in a bit).
- But, did rain scupper the Year 6 Parent Café as well?
- Find out what a former member of our school community has been up to.
- Don't miss out on important information, events and opportunities.

**Attendance for week beginning 27<sup>th</sup> March 2023**

<b>Ash 87.69%</b>	1G 85.38%	2A 83.45%	3G 92.69%	4D 89.29%	5F 97.50%	6C 87.50%

This week at **Harry Potter Club** we made Butterbeer which is a combination of;

- Cream soda
- Syrup
- Ice-cream

You have to stir the mixture for about five minutes to create a nice foam on top.

We took some Butterbeer to Mr. Bless during his meeting with other headteachers and visitors from Enfield council and they all gave it a 10/10!

*Tia-Laren and Symone (Class 6D)*

## IF YOU WERE AN **ENGINEER** WHAT WOULD YOU DO?\*

Miss Tootill is **looking for engineers that are in any way linked to our school to help!**

Are you an engineer? Or perhaps you know one?

Please contact Miss Tootill through the office if you can help.

At POW, we are talking about STEM (science, technology, engineering and mathematics).

Think about...

**'If you were an Engineer, what would you do?'**

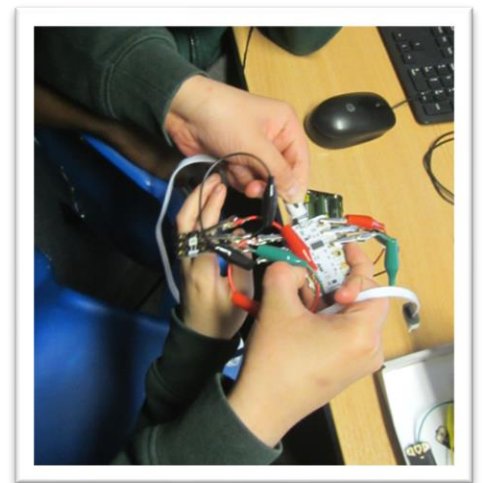

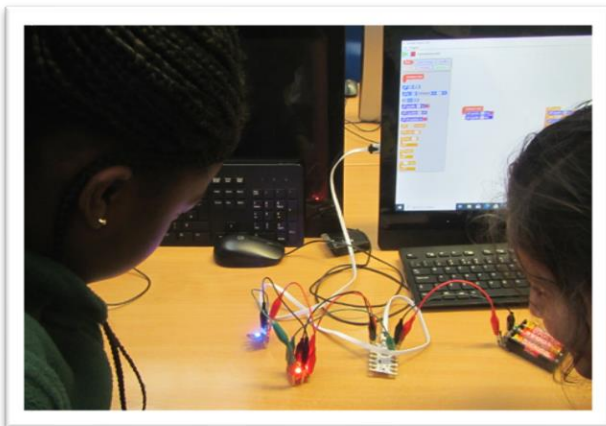

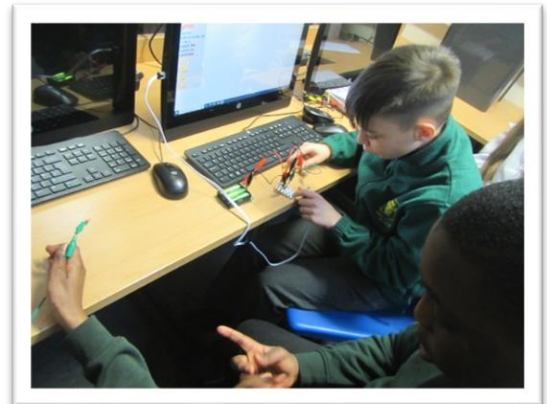

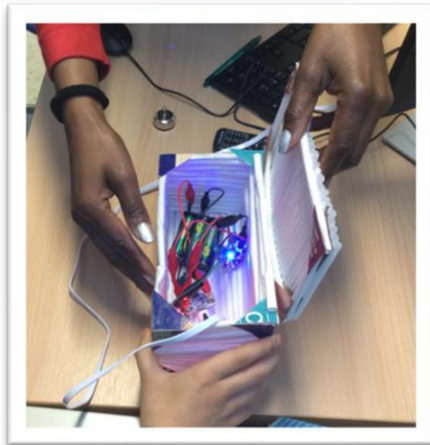

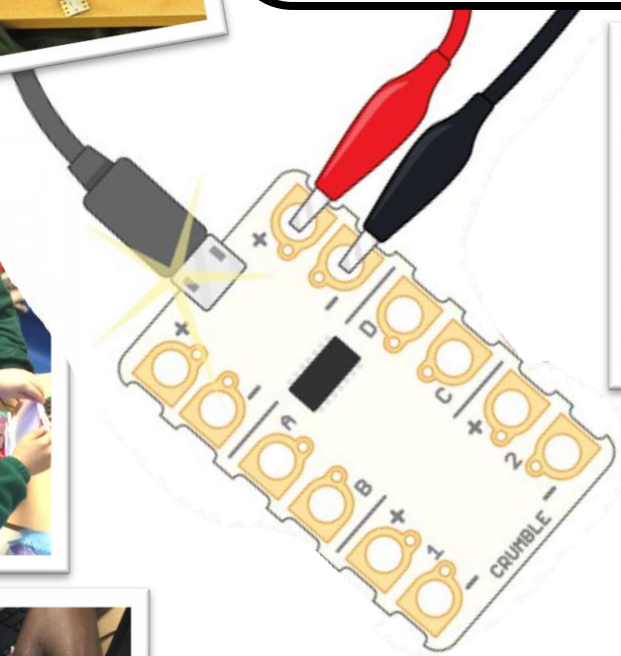

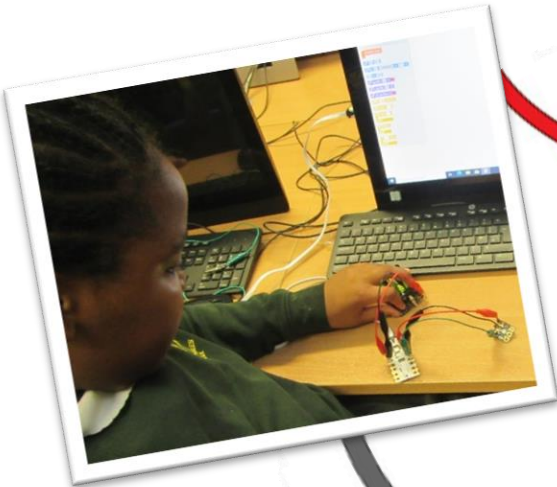

Take some time to listen to what some engineers have to say about their roles and how they became engineers:

<https://www.youtube.com/channel/UCsfAmo80Rzat2MmyObSvOuw>

# Year 5 - Design and Technology

This term we have been designing and making alarmed boxes. We used crumble - a programmable controller.

### Easter Assembly

Father Stephens lead our Easter Assembly, reflecting on the importance of this celebration for Christians. He talked about the significance of Holy Week and the different events that took place on each day. Fr Stephens brought lots of different items from his Church to share the ways Holy Week is marked – including a candle that was over two feet long! It is lit regularly in the church and burns throughout the Easter celebrations to represent the light of Jesus for Christians.

Your generous donation of **£71.00** has been processed successfully and will help provide aid to people affected by the earthquakes in Turkey and Syria.

The performers from the Aladdin production received a special certificate

Please book your space on the EASA website

## *Cuppa and Chat*

### MONTHLY SESSIONS FOR PARENTS AND CARERS

2nd Thursday of the month:

Early Years and Primary-aged children

3rd Thursday of the month:

Secondary and Post-16 children & young people

- Meet the EASA team
- Hear about topical issues
- Socialise with other parents
- Friendly & relaxed atmosphere

Limited parking is available on site.  
A small donation towards the cost of refreshments is appreciated.

## 'Aladdin'

On Wednesday evening, children from Years 4, 5 and 6 performed in our POW School Production of 'Aladdin'. After weeks of hard work, the children showcased their amazing talent for acting, singing and dancing. Every single cast member should feel very proud of themselves; future stars of film and West End theatre!

Many thanks to all the staff involved.

### Audience comments:

"Another amazing performance. Well done to all staff and children. Please do another one next year!"

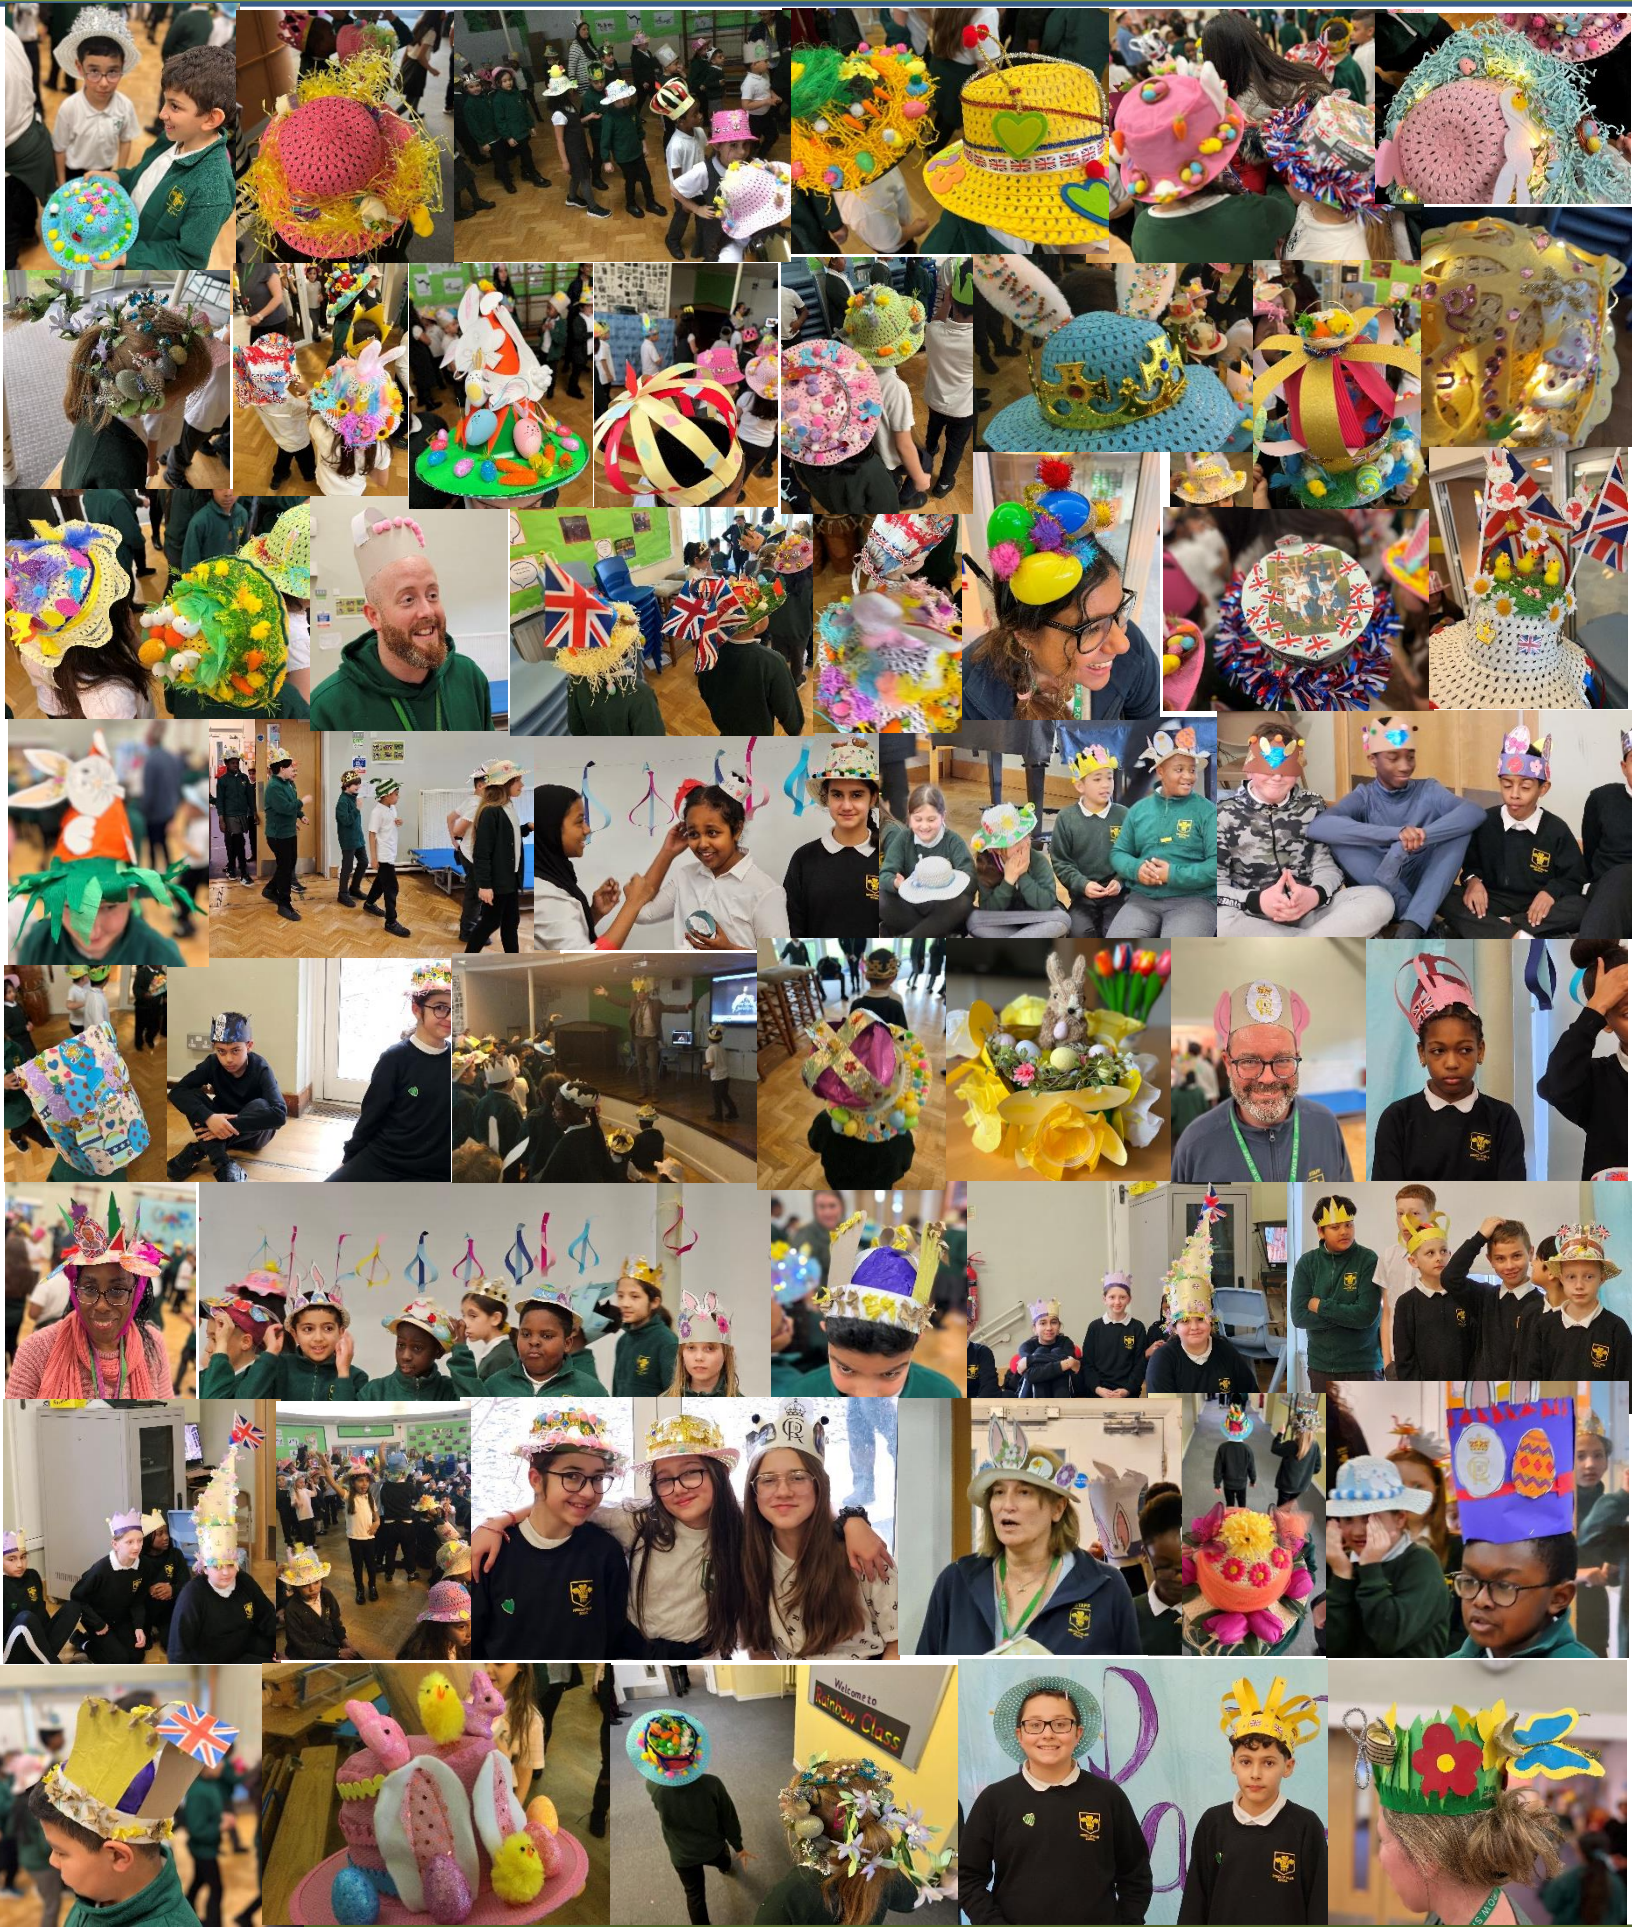

"Kids all looked like movie stars. 5 stars!"

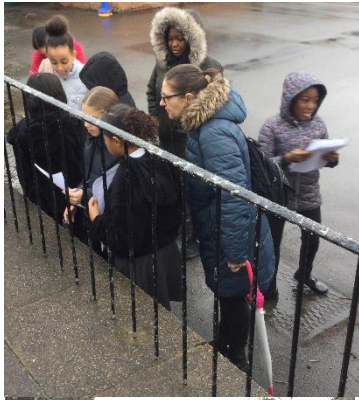

"My daughter says that she has found her passion in theatre."

A huge thank you to Ms Houadef and the 'Aladdin' Art Club for all of their fantastic work.

### Y6 Outdoor Reading Café

The children worked with their parents reading a map to locate numbered Easter eggs.

At each Easter egg there was a page or two from *'The Matchbox Diary.'* The pages had a letter that formed an anagram, where the children had to work out the title of the text. They also had to answer a question about the text.

There was lots of fun to be had and the rain did not deter us!

Thank you to all the parents who attended our café and ensured that the children had a great time too!

Dear children, staff, parents and friends,

Another term is coming to a close and I can see how busy you have all been with your learning. You have so many opportunities to learn in exciting ways at Prince of Wales including your science day and year 5 science trip, your production of Aladdin and the outdoor orienteering cafes.

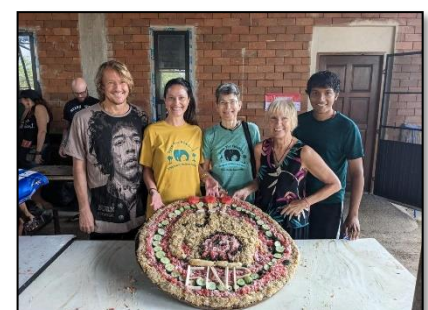

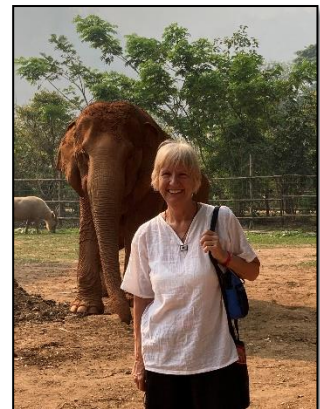

I spent last week volunteering at an Elephant Rescue and Rehabilitation Centre in Thailand founded by an incredible woman called Lek. Many Asian elephants are very badly treated: some have been working in illegal logging; some have had to beg on the streets; some have been forced to perform in circuses or shows; and some have been forced to trek for hours and hours every day. Fortunately, some of the elephants have been rescued and began their new life at the park without being chained up. They can form their own friendships and they like to bathe in the river, roll in the mud and particularly enjoy eating fresh watermelon, cucumbers and bananas. Whilst I was there I had different jobs to do every day including cutting down banana trees, preparing watermelons, sorting bananas, cleaning their water tanks and even scooping up elephant poo. Did you know they make paper out of elephant poo?

I also visited a school nearby and the children showed me how to make a bracelet. There was even a group of girls playing with the Rubik Cube. Would I still see these in your playground? I listened to a music concert there and, although there were no recorders, there were some wind instruments. Many of the children come from Myanmar, China and Cambodia and some of their parents work at the Elephant Rescue Centre. Some of the fathers work as mahouts. Do you know what a mahout is?

I shall think of you all at the Easter Bonnet Parade and look forward to seeing photographs of Aladdin and the end of term certificate assembly. I wish you all a very Happy Easter and a lovely holiday.

With best wishes,  
Miss Clarke

Affiliated to Middlesex County Football Association - Members of The Watford Friendly League - Members of Enfield Sport

## **GIRLS FOOTBALL @ ENFIELD RANGERS YFC**

Enfield Rangers Youth Football Club was formed in 1966 and boys teams were developed. Over the years the club has played in various leagues from the; Enfield league; Cheshunt league; Bushey league and for ... the last 20 years have been playing in the Watford League.

Over the years numerous teams have had different successes from league wins, to cup wins and football tour victories.

Enfield Rangers encourages all abilities to participate and we are proud of our diverse environment.

All of our teams managers and coaches are voluntary and the club also has a leadership Committee team, who make the day to decisions relating to welfare, safeguarding, football, finance and day to day running of our great club.

We currently have 12 boys teams and will develop more boys teams at the start of the 2023/24 season. More importantly we are now developing the opportunity for girls to play football with the excitement announcement in association with Middlesex FA to deliver the Wildcats programme and squad girls, which will create the opportunity for girls in the Enfield and neighbouring areas to get involved. We then intend to develop girls teams at various ages to represent Enfield Rangers.

These are exciting times for the club and 'for the girls' who take this positive step. We also intend to liaise with local schools to improve our visibility and to encourage mums to join our voluntary manager and coach programme.

For more information on girls football please contact our Head of Girls Football below:
