

Dear Parents/Carers, Governors and Friends,

Congratulations to our Year 6 pupils on completing their SATs tests this week that due to the additional bank holiday concluded for the first time on a Friday. The children did their very best with all the papers and we couldn't be prouder of them. You may have heard that social media was buzzing with many parents across the country raising concerns that their otherwise confident children found this week's reading paper very difficult. We can confirm that this was a particularly tough paper as well [Year 6 Sats: Children 'distracted' after reading paper](#).

As per annual tradition, our children were not surprised to find Frankies' Ice Cream Van waiting for them in the playground at 11am today. Not deterred by the wind and rain, braving a typical British Summer Day, our Year 6s waited patiently for their ice cream cone, slushie or ice lolly. Frankie will return a few more times to treat all Year 6 children who demonstrate our school values well and he will also be present at the Summer Celebration on Tuesday 20th June.

Next week, our Year 2 children will undertake their KS1 SATs. They will be the last cohort of children that complete these tests and we wish them the very best.

PoW Sunflower Competition

All classes have been growing sunflower seeds in their classrooms recently. This week, those that were ready, were planted in the school garden with the help of our gardener, Craig. Now the race is on... ***which class will have the tallest sunflower? How tall will they grow?***

Does your child find it difficult to attend school for emotional reasons?

Join the Educational Psychology Service at a online two-part workshop for parents and carers. We will:

- ▶ Learn more about anxiety
- ▶ Explore what feels helpful for your child and family
- ▶ Discuss working together with schools to help young people attend
- ▶ Share your thoughts and ideas with each other
- ▶ Identify what help and support are available
- ▶ Connect with other parents and carers with similar concerns
- ▶ Consider how we can look after ourselves when things are hard

Dear Parent/Carer

Polio campaign

As you may remember, in response to the findings of the polio virus in sewage in London boroughs last summer, the Joint Committee on Vaccination and Immunisation (JCVI), advised that all children aged between 1 and 9 years, be offered an additional dose of Polio Vaccine.

Following on from this, the NHS in London is now offering polio (4 in 1 vaccine – Diphtheria, tetanus, pertussis, polio) vaccinations and measles, mumps and rubella (MMR) to unvaccinated or partially vaccinated children aged 1 to 11. As part of this catch-up campaign, we are only able to offer missed doses of Diphtheria, Tetanus, Polio, Pertussis (4 in 1), and MMR to school aged children (Reception to Year 6). If you believe your child has missed any other immunisations, or your child is below reception age, please contact your GP practice.

The NHS School Aged Immunisation Team will be contacting the parents of children who are not fully vaccinated to sign a consent form for school-based vaccinations or clinic appointments.

- Can we ask that you check your child is up to date with 4 doses of Diphtheria, Tetanus and Polio, and 2 doses of MMR by looking through their baby records (red book). Please see below Routine Childhood Immunisation Schedule.
- If our records indicate that your child may be missing immunisations, you will receive a text message from the NHS informing you that the School Aged Immunisation Team will be contacting you by telephone to discuss further.
