Bikeability

This week, children in years 5 and 6 benefited from cycling training through [Bikeability Club - Go Cycling](#). Depending on their starting points, they learn to balance and glide; control a bike (including setting off, cruising, slowing down, braking and stopping); controlled pedalling and being aware of their surroundings. Children also learn about different parts of the bike and the importance of looking after it. We hope our children continue to gain confidence and carry-on cycling.

Alice in Wonderland and King's Coronation Afternoon Tea Party

To celebrate the King's Coronation and to coincide with the Alice in Wonderland theatre production the day before, next Tuesday 4<sup>th</sup> July, children are invited to come to school in festive and colourful clothing and wearing fancy hats. British and Commonwealth flags can also be brought to school. Lunch that day is on us (sandwiches, fruit and cake as well as refreshments). After lunch, each year group will perform songs and /or dance.

Thank you and Goodbye

Today we say goodbye to Mrs Little who after 13 years at our school will be retiring. We wish her the very best.

Mr Jan M Bless - Headteacher

### some nice feedback 😊

We received a lovely call from a member of the public who was travelling on the same train as the children who went to Quantcast last week. He said that he was very impressed by the children's impeccable behaviour and it was a pleasure to be on the train with them.

This week's sign is: **CYCLE** as Bikeability have been in school this week teaching cycling safety to our older children.
