

Parent Cafés next week

You are warmly invited to join your children again in the Christmas themed cafés that take place in the next two weeks. See calendar on page 2.

Goodbye to Head Gardener Craig

We thank Craig who in his role as head gardener continued the development of our school’s green spaces for the purpose of learning and wellbeing; we wish him the very best in his new job. The baton is passed to Karen who will take on this lead role, supported by Yvette as our new assistant gardener from January 2024.

Charity and Sustainability through Cardless Christmas

We encourage our children *not* to give Christmas cards to their friends and teachers and instead make a donation of non-perishable food items to our school food bank from 1st - 8th December. This supports our efforts to minimise our impact on the environment with the amount of waste created and also helps us to provide food for those hard-up families that approach us. If you feel that you could benefit from our school food bank, please contact Mrs Dunlea and Mrs Rees via the school office. Discretion guaranteed.

NEW AFTER SCHOOL CLUB

Hello parents at Prince of Wales Primary,

We are **Little London Dance Studio** and we are delighted to be offering dance sessions as part of the after-school club timetable at Prince of Wales in the Spring term. We are a team of passionate dance professionals who teach through encouragement. If our dancers are not having fun and growing in confidence, then we are not fulfilling our role. We teach technique in a fun, structured class that includes choreography (a chance for us to tell stories through our dancing)

Coming up in Spring at Prince of Wales

Thursdays - For Reception/KS1 - **MUSICAL THEATRE DANCE** (Learning dance technique, teambuilding and telling stories to our favourite songs from Disney and the musicals.)

HOW DO I SIGN UP?

Before we can offer our schedule, we want to ask you if this is a class you would be interested in for your child.

YES? Wonderful, please sign up your interest here -

Enfield Gymnastics Festival

Our gymnasts Inna, Emma-Lee and Alihan competed in this year's competition. They participated in the floor and vault routines showcasing a variety of movements and techniques. They had a lot of fun and can be proud of their achievements. See page 5

In Nursery, we have learnt about lots of different celebrations this half term. We read 'Maisy's Surprise Birthday Party' and talked about how the children celebrate their birthday. We made sandwiches and party food and we wrote invitations for a special visitor... Maisy Mouse herself!

Hello everyone,
I see your focus for November has been to explore.

Reception and Year 1 have been exploring how to use cutlery and you will all be exploring Christmas crafts in your Parent Cafes. I have also been exploring Christmas crafts and have managed to make you a Cross Stitch Christmas card. The pudding reminds me of the wonderful Christmas Dinner you may be eating soon. Carry on exploring - it is a great way to learn,

Sustainability Leaders

One of our Values is Sustainability and Stewardship. Each class in KS2 has chosen a representative to support on environmental matters.

Our first task was from Asthma and Lung UK who asked us to contribute to their air pollution project. We know that toxic air is unsafe for children so they shared a pack to place diffusion tubes around the school to measure pollution levels.

The children started by looking at maps and aerial photos of the school and then decided where places of high and low pollution may be.

Craig, our site manager, took the Year 5 and 6 Sustainability Leaders to place them around the school. We look forward to sharing the results with you.

Our leaders are 3H Naz, 3F Naomi, 3W Olivia, 4A Ellerie, 4L Dylan, 4T Botan, 5G Tsihon, 5H Hasan Ali, 5W Rayan, 6F Simon, 6D Belinay, 6C Ayse.

PJS and Stories Day

It was yummy!

On Thursday, the reception classes wore their Pyjamas to school and brought in their favourite books. We shared why we liked them.

We listened to some of the stories throughout the day and enjoyed hot chocolate and biscuits while we listened.

This is the best day ever!

Your hot chocolate is the best!

Christmas at PoW is going 'card less'

This year Prince of Wales is supporting 'sustainability' by going 'card less' for Christmas.

Instead of sending a Christmas card, please donate to our school non-perishable food items and small Christmas gifts.

We will share these with our local food banks.

Please bring the non-perishable food items
and small Christmas gifts to school
between the 1st - 8th of December.

Thank you for your support from all of us at Prince of Wales

November Family Home-learning Project

Our school value for the month of November is Explore. This value is all about trying new things, valuing fresh experiences, ideas and the beliefs of others. It is about being creative and having a go because there is always something new to learn and find out.

This month, we would like you to have a go at something new as a family and then share your experience at the end of the month. Have a look at some of the suggestions below – the choice is YOURS and the options are limitless.

- Cook and try a different meal – perhaps from another culture or tradition
- Learn a new skill
- Learn a new language
- Go for a walk or small adventure somewhere different – local or otherwise
- Try a new fitness activity or exercise together

Anything!

Just as in October, you can present your experience at the end of the month however you would like – work together as a family or with friends.

- A written report
- A poster with facts and drawings of something 'new' you tried
- Write a speech and record yourself
- Share a photograph or film of you having a go
- Design and make a model

Projects are due by the 1st December.

We can't wait to see what you come up with this month.

Reducing Parental Conflict

Free Online Course with weekly facilitated group discussion

The SFSC Reducing Parental Conflict course is evidence based and provides a mixture of self study and group work discussion. The course is suitable for co-parents and other main adult carers of children aged up to 18. **Two courses are available: one for co-parents living together and one for those living apart**

SFSC Reducing Parental conflict online course provides parents with the key concepts and techniques to reduce the effects on children of harmful conflict which is 'frequent, intense and poorly resolved' including:

- What harmful conflict is and how it affects children's wellbeing and development
- Tools to reflect upon personal values, vulnerabilities and strengths and identify areas of conflict with their co-parent
- Techniques to enhance adult relationships for co-parents and carers living together and improve communication for those living apart
- Skills to manage stress and anger and resolve conflict
- Information for co-parents living apart to work towards a parenting agreement
- Techniques to enhance the parent child relationship for parents whose children do not live with them permanently

The course consist of six online modules and a weekly facilitated group discussion. The individualised online session are released one at a time on a weekly basis (so over six weeks) and take around one hour to complete. Parents/carers can complete each session in one sitting or as and when they have time to do so. They can revisit sessions at any point.

The course activities include, video content, scenarios, drag and drop activities, quizzes and other interactivity.

Participants also attend a weekly online group discussion facilitated by one of the SFSC team and attended by up to six others who are at the same stage of the course. This is an opportunity for parents to

- Review and check on their learning
- ask any questions; and
- hear from other parents

At the end of the course, participants who have completed all six sessions will be provided with a certificate and signposted to further help.

How will parents sign up?

Parents will sign up online. They can either register themselves or can be referred by an agency such as their school or early help team. Parents will be talked through what to do stage by stage and there is a help email and telephone number to support them.

Parents will be reminded via email and text message about completing sessions and joining online group discussions.

This course will be free until November 2024.

Refer a parent on the email address below or tell them to sign up here:

The Big Ambition – Have your say!

The Children's Commissioner for England, Dame Rachel de Souza, has launched **The Big Ambition**, a national survey of children and young people across England.

The Big Ambition aims to hear from children across England on what they think is important! In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England.

The Big Ambition survey will be open until Friday 15th December.

[Click here to take the survey](#)

or scan the QR code to complete the survey by Friday 15th December and make your voice heard!

The survey takes around **10 minutes** to complete and can be completed on mobile phones, tablets, laptops and computers.

The survey asks for information about the person responding, the child's age, and what school they attend. There is also an option to complete an easy-read version with larger text. The questions are slightly different depending on the age of the child answering, but, everyone is asked what they think the Government should do to make children's lives better.

It's important to remember that the survey is not a test and that there are no right or wrong answers.

Everything in the survey is anonymous. If you want like to find out more about our data protection policies, please visit our [information and privacy page](#).

If you have any questions about the survey or The Big Ambition, you can contact us using the [contact form](#) on our website.

Dear Sir or Madam,

Works: CARRIAGEWAY RESURFACING IMPROVEMENT SCHEME

ORDNANCE ROAD, EN3 (TYSOE AVENUE TO BRIDLE CLOSE & OUTSIDE NOS. 296-304)

ROAD CLOSURE: MONDAY 4TH DECEMBER 2023

NIGHTWORKS –BETWEEN HOURS 20:00 HRS TO 05:00 HRS

As part of Enfield's investment for 2023/2024 in the Borough's highway infrastructure, the above sections of road have been identified as requiring resurfacing.

In order to minimise the disruption these works may cause we would be grateful if you would **refrain from parking or leaving vehicles on the above road whilst these works are being carried out.**

Please note that:

Any vehicles left on the highway during this time that are affecting the works will be relocated, to a nearby, safe location, by an authorised car removal company.

Residents may be provided with access to their properties returning home during this time. However, in certain circumstances we may not be able to do this and will ask you to park in the nearest available side road until the works are completed. Before and after these times the road should be open for full access.

As detailed above our night works programme generally commences at around 20:00 and should the works take place without undue delay will finish by 05:00. Due to the works process the noisiest activities i.e. removing the old surface and breaking out around manhole covers in the road will take place first, finishing at around 00:00. After this, laying the new surface is a relatively quiet process with the main noise caused by the reversing sirens on vehicles, which are compulsory due to health and safety regulations. In order to minimise noise all contractors' plant is equipped with engine silencers, and we ask that any vehicles not in use are turned off. We will also have an engineer on site to monitor the works ensuring that the contractor is performing to our required standards.
