

Dear Parents/Carers, Governors and Friends,

School Street Consultation

A great announcement to start this week's newsletter: after many years of school run related concerns, Salisbury Road is finally being considered to become a 'School Street'. This will come as welcome news to the local residents in our road as well as families and staff who run the daily gauntlet of poorly parked and manoeuvring vehicles (see pages 7 and 8).

You can make a representation or objection in any of the following ways:

- via the survey at [Prince of Wales School Streets - Statutory Consultation](#)
- by email to journeysandplaces@enfield.gov.uk, or
- in writing to Journeys and Places, Enfield Council, Silver Street, Enfield, EN13XA

Christmas Hampers

Thanks to the Enfield Household Support Grant, we have been able to purchase 35 Christmas hampers for families in our school community.

Polite request: please **avoid collecting your children early from school** during lunch time (for appointments etc.). Where possible, appointments should be made for outside school hours to avoid loss of learning.

The lunch times are as follows:

Reception: 11:30-12:30pm

Year 1, 2: 11:50-12:50pm

Year 3, 4, 5 & 6: 12:20-1:20pm

If you need to collect your children, please do so before or after the relevant lunch time period.

Also, if you know your child will be collected by a different adult at the end of the day, please notify your child's class teacher first thing in the morning at drop off. This will help avoid disruption to learning time when passing messages to classes over the course of the day. If this is not possible, please call the office as early as possible, to avoid an influx of calls just before the end of the day.

Thank you

Parent Cafés December – Reading & Christmas Crafts

All the parent cafés have been well attended and enjoyed by all.

Just one more to go:

11.12.23 Nursery am/pm

AM session - 10.30am
PM session - 2.20pm

In December we focus on APPRECIATION

These pupils received a certificate this week:

Kamal 1B, Orhan 1G, Jonas 1S, Sarya 2C, Hunkar 2F, Rayan 2G, Jenson 3F, Tahani 3H, Ochuwa 3W, Skylar 4A, Rome 4L, Jayden 4T, Elif 5G, Valentina 5H, Covenant 5W, Lara 6C, Philomena 6D, Maija 6F

Miss Topalova set all children the challenge to write a message of appreciation this week; one class would win a special prize. This is the Appreciation cake that 4T baked for the winner of this challenge.

Due to 'conflict of interest', which we discussed as a class and agreed it was fair that 4T is not taking part in the final part of the challenge. We worked together to choose which class should win the prize. We were fortunate to be able to read through over 150 Thank You messages from children across our school. Reading all these words of kindness was an incredibly rewarding experience.

Some messages were read out in today's assemblies.

Congratulations to class 6D who won the cake.

Geography fieldwork

This term, the children in Year 3 have been learning about mountains and hills in geography lessons. We have been learning about features of mountains and where the mountain ranges are located around the world.

In geography, we always look to support learning in our local area. We may not have the Himalayas on our doorstep but we do have a hill. The children walked through Gunpowder Park to the viewpoint. Here the children could look south towards the reservoirs and London on the horizon.

While we were there, we also used geographical skills to collect data on types of litter and made a bar graph with the information that we found.

ITEM	TALLY	TOTAL
bottle		8
can		21
crisp packet		15
papers		7
newspaper		10
fizzy drink		20

A big well done to the children who braved the elements, wrapped up warm and explored the local area.

Turkish club for children

Cocuklarinizin turkce ogrenmelerini ve ya turkcelerini gelistirmelerini istiyorsaniz Aralik ayinin 15ine kadar sinif ogretmenlerine isimlerinizi bildiriniz. Kurslarin hangi gun ve saatte olacagi sonradan bilgilendirilecektir

Turkce kurslarimiz ucretsiz olup Turkiye Cumhuriyeti Konsoloslugu tarafindan gorevlendirilen egitimciler tarafindan verilecektir.

Would you like your child to learn or improve their Turkish language skills? You can sign up for our Turkish lessons. The lessons will be taught after school by a Turkish teacher from the Turkish Embassy.

The time and days will depend on the number of children that sign up for the club. If you are interested, please inform your child's class teacher by Friday 15th December.

Thank you

Mrs Kurt

Statutory consultation: Prince of Wales Primary School Street on Salisbury Road

Please reply to: Journeys and Places

Email: journeysandplaces@enfield.gov.uk

Date: 6 December 2023

Dear resident / business owner,

Following the successful implementation of 18 School Streets across the borough Enfield Council are expanding the initiative to more schools and are proposing a School Street on Salisbury Road for Prince of Wales Primary School. This is part of the Journeys and Places programme delivered by Enfield Council which empowers people in Enfield to make sustainable choices for themselves, their community and our planet. We invite you to take part in the statutory consultation TG52/1552 to share your views on this School Street.

A 'School Street' is an area transformed into a pedestrian and cycling zone operating Monday to Friday during the school term, during set times at drop-off and pick-up times. School Streets aim to:

- ensure the safety of school students as they arrive to and leave school,
- improve the air quality near the school, and
- encourage more young people to walk and cycle to school.

When the School Street zone is in operation during the designated hours, motor vehicles cannot pass through the zone except for those who have received a permit and are exempt. Those who are eligible for exemptions include:

- residents who live within the zone,
- Blue Badge holders requiring access to the school (for example parents who hold a Blue Badge for a pupil),
- school staff who have been provided a permit by the school administration under exceptional circumstances,
- businesses who operate within the zone, and
- emergency services (automatically exempt).

Further information on School Streets and how they operate can be found at <https://letstalk.enfield.gov.uk/schoolstreets>.

Share your views

In partnership with Prince of Wales Primary School, Enfield Council is proposing a School Street as shown on the map overleaf and detailed in the proposed traffic order found at the link above. The proposed times of operation are 8.30am to 9.00am and 3.00pm to 3.30pm from Monday to Friday during school terms only. The School Street will be enforced using Automatic Number Plate Recognition (ANPR) cameras.

The Big Ambition – Have your say!

The Children's Commissioner for England, Dame Rachel de Souza, has launched **The Big Ambition**, a national survey of children and young people across England.

The Big Ambition aims to hear from children across England on what they think is important! In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England.

We have had an amazing response from nursery, primary and secondary schools across England and as a result I've decided **to extend the closing date to Friday 19th January 2024** to allow even more children the chance to have their say.

[Click here to take the survey](#)

or scan the QR code to complete the survey by Friday 15th December and make your voice heard!

The survey takes around **10 minutes** to complete and can be completed on mobile phones, tablets, laptops and computers.

The survey asks for information about the person responding, the child's age, and what school they attend. There is also an option to complete an easy-read version with larger text. The questions are slightly different depending on the age of the child answering, but, everyone is asked what they think the Government should do to make children's lives better.

It's important to remember that the survey is not a test and that there are no right or wrong answers.

Everything in the survey is anonymous. If you want like to find out more about our data protection policies, please visit our [information and privacy page](#).

If you have any questions about the survey or The Big Ambition, you can contact us using the [contact form](#) on our website.
