Suggested Strategies:

- Create your own word search
- Write the words in different colours and different styles
- Write the words using bubble writing
- Write the words on bits of paper and stick them in strange places like the fridge, light switches or your sock drawer (check with your family first!)– practice every time you see one
- Break the word into chunks

Find something that works for you!

Challenge: In your practise, use the grammar (punctuation, tenses, clauses etc.) that you use in class to write a creative story using as many of the words from the list as possible.
