Dear Parents/Carers, Governors and Friends,

ETSP Art Exhibition

We were proud to host the ReMARKable Art exhibition that featured work from schools from the Enfield Town Schools Partnership. Having benefited from the two-year art project Making a Mark, the next step was for each school to cascade their knowledge and skills through regular teacher training and promote arts-based learning in the classrooms of all ETSP schools. This Finale Exhibition showcased the works of ETSP Schools, celebrating the achievements of both teachers and pupils. *see page 5*

Parent Forum

Join us for our next Parent Forum on Tuesday 23rd April at 2:45pm. There is no set agenda, you are welcome to ask questions about our school policies and procedures or make suggestions to improve how we as a school community can work together.

School Street operational on Tuesday 7th May

As of Tuesday 7th May 2024, Prince of Wales will become a School Street. (For more info please visit: [School Streets Initiative - All the information you need](#) .)

This means that if you drive into Salisbury Road between 8.30am-9.00am or 3.00pm-3.30 pm, Monday to Friday, during term times, you will risk incurring a fine. The school will have no power over this and all appeals must be directed to Enfield Council Parking Services.

School Gardening Spring update

Read Head Gardener Karen's journal that details how together with Assistant Gardener Yvette our school site has continued to improve throughout the past Spring Term, what our children have been planting and have a go by using their tips and advice for trying this at home too: [PoW Spring 2 2024 Gardening Journal](#)

PRINCE OF WALES FOOTBALL TEAM

On Wednesday our boys' football team travelled to Edmonton County to play our last three games of the season. Having won just once this season, the boys were eager to implement new tactics under the watchful eye of VIP guest Mr Bless.

Our first game with Edmonton County was fiercely contested with both teams having chances early on. With the score at 0-0 at half time, we knew we had a great chance of winning. However, an incredible free-kick and a deflected corner meant we trailed very quickly after the restart. Reggie was brought on straight away and made an immediate impact winning a penalty

that Ryan scored calmly. Unfortunately, we were unable to equalise and we lost the game 2-1.

The boys rallied together quickly, and after a few inspirational words from Captain Ronnie, we were ready to face St Edmunds. The boys played some fantastic football with Hatib and Aras absolutely everywhere on the pitch winning the ball back and picking out our forwards. The encouragement coming from every player on the team was a huge factor in the confidence shown by Aayden to score to go 1-0 up and Hatib to double our lead very quickly afterward. With some brilliant defensive tackles from Kevin, David and Halil (on his debut) it meant we not only won, but kept a clean sheet for the first time this year.

After wild celebrations, we had to prepare ourselves quickly for our third and final game against Meridian Angel. What happened next, nobody expected. The boys were everywhere. They won every tackle, competed for every ball, passed the ball with confidence and dribbled around players with ease. A Reggie hat trick rounded off a 7-0 victory including a brilliant free-kick goal from Ryan in the first half. Aayden (2) and Hatib completed the scoring in front of our fans who rightly agreed that this was their highlight of the season.

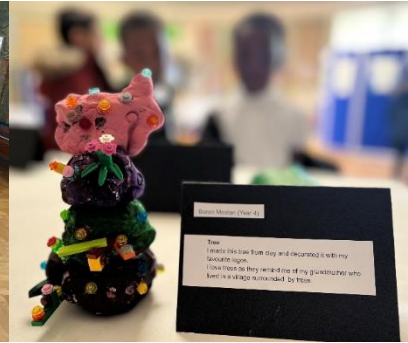

Having watched the development of the team from the start of the season to now, I am extremely proud of the boys. We didn't care about the results but focused on morale and team work which by the end of the season resulted into victories. 'Hatib's on Fire' was echoed around the pitch at full-time in what was a touching way to end the season. We have set up a solid foundation for next season where our current Y5s will be continuing the journey. Well done boys.

Dear Parents and Carers,

RSE: Teaching of RSE

Relationships and Sex Education (RSE), along with Health Education, is a statutory requirement of the PSHE curriculum. The key purpose of RSE and Health Education, as stated by the DfE, is to provide pupils with the knowledge and skills to create informed decisions about their health and develop positive relationships in order to pursue a happy and successful adult life.

At Prince of Wales Primary School, we teach RSE through a scheme of work called The Christopher Winter Project (CWP), which contains age-appropriate materials for each year group. This ensures that we are fully compliant with the statutory duties stated in the National Curriculum for Science and RSE. We ensure that the pupils receive high-quality teaching of RSE in an age-appropriate manner.

I would very much welcome parents and carers to attend a meeting before we begin teaching RSE next half term. During this, I will share what will be taught in each year group, as well as explaining how it will be taught. You will also have the opportunity to ask any questions that you may have.

Please find below the date and time of each meeting.

Year Groups	Date	Time & Location
Years 1 & 2	Tuesday 7 th May	8.50am Community Room
Years 3 & 4	Wednesday 8 th May	8.50am Community Room
Years 5 & 6	Thursday 9 th May	8.50am Community Room

You may also wish to read the policy for RSE, which can be found on the school website at [RSE-Relationship-Sex-Education-Policy.pdf \(princeofwales.enfield.sch.uk\)](https://www.princeofwales.enfield.sch.uk/rse-Relationship-Sex-Education-Policy.pdf).

If you would like to raise any specific concerns or if you have questions regarding what your child is going to learn, please get in touch with the school office at office@princeofwales.enfield.sch.uk before Friday 3rd May.

Yours sincerely,

K. Stylli **PSHE Lead**

Schools, Parenting and Child Development: Introduction to SEND

Where: Online
When: 03.05.24 – 21.06.24
How Long: 7 sessions
Time: 9:30am – 11:30am
Reference: Q00014434
Cost: Free to £51.80

This short course will introduce you to what is meant by special educational needs and disabilities (SEND). The course will provide an initial understanding of the spectrum of autistic disorders and how they can affect people in a variety of ways, as well as exploring the importance of a person-centred approach to provide support. It's important to be aware of the range of special needs you can encounter when dealing with others. Special needs education courses can help you understand what to expect and how to support all learning needs.
